Arrival Directions: Hemenway, Fenway, Symphony & Westland Leased Properties

For Official Move-In Dates: 100 Hemenway – 9/5, 132 & 136 Hemenway – 8/30, 165 Hemenway – 8/30 & 9/2, 171 & 204 Hemenway – 9/2, 49 Symphony – 9/4, 52 Westland – 9/4 & 9/5, 84 Fenway – 9/5

Unloading Location: **North Lot** → Parking Location: **Columbus Garage** → Check-In Location: **Outside Light Hall** (Rain Location in Light Hall RA Office)

Please note: Most Leased Properties have a stair entry which cannot be equipped with a ramp and may not have an elevator. Please plan accordingly when packing and when loading hampers, which cannot be pushed into the building. Limited move support will be present at the entries to assist on official move-in days for that building; however, heavy moving carts still cannot be loaded into the building.

1. If you are arriving by car to campus you will first need to proceed to your Unloading Location at North Lot. Please use this link as a location for driving directions.
2. At North Lot, move support will be present to direct traffic and to assist with unloading your belongings from the car into one or two moving hampers. You will need to leave a Government Issued ID in exchange for your hampers.
3. Should you require a place to park after unloading, the driver of your vehicle will be able to park with your parking pass in Columbus Garage. Please use this link as a location for driving directions. To enter Columbus Garage, the driver can take a ticket at entry, and will need to present the day specific parking pass and scan code at exit. Links to the day specific parking passes and codes can be found below. **There will be no oversized, over height (over 6'8" including roof racks/storage), or overnight parking**.
4. While your vehicle is being parked, you can proceed to your check-in location, Outside Light Hall, to check in with Residential Life Staff and pick up your keys. Please note that Light Hall may not be "on the way" to your specific building. If you have an additional person with you, we recommend one member of your party remaining in North Lot or near your building's entrance with your belongings while you proceed to Light Hall. If you are driving yourself, the move support will hold your hamper until you return after parking and checking-in.
5. After checking in, proceed to your assigned residence hall room, unload your hamper, and then return your hamper to North Lot.
