Our goal is to unify and also to display the Asian heritage and culture to all who are interested.

Barkada:
Northeastern University Barkada is a cultural group focused on creating an awareness of Filipino culture. The word “Barkada” in the Filipino language, Tagalog, translates to “a group of friends.” Through cultural events, informative general meetings and our biggie smalls system we strive to create a sense of community that our members can call home.

Delta Phi Omega:
The purpose of Delta Phi Omega shall be to foster unity among South Asian women, build community awareness, and gain a greater understanding of oneself and others. Our sorority aspires to instill leadership traits, excel in all academic endeavors, to encourage an active relationship between the sorority and its respective university, and shall do so with the utmost compassion, dignity, and fortitude.

Kappa Phi Lambda:
Kappa Phi Lambda Sorority, Incorporated, strive to strengthen Sisterhood amongst women by providing Service and promoting Cultural Diversity to our members and our community, thus securing the bond of kinship for posterity. Kappa Phi Lambda exists to further educate individuals about Pan-Asian culture, while keeping our own identities. We aim for academic excellence, keeping in mind the importance of education and learning as the key to strength, awareness, and fulfillment.
Korean American Student Association:
The Northeastern University Korean American Student Association is an organization that serves to promote cultural awareness at Northeastern University and the surrounding Boston area. We strive to bring together students of both Korean and non-Korean background to establish a sense of community within the university. Pi Delta Psi’s primary mission is to spread Asian-American Cultural Awareness in an attempt to bridge the gap between various Asian-American subgroups.

UTSAV:
Utsav, the Sanskrit word meaning ‘Festival’, was started in 1991 by a handful of South Asian students. Now in its 19th year, Utsav has grown into a large and vibrant community of over 200 students and alumni. We strive to provide a sense of belonging and knowledge about South Asian culture and heritage. We represent students from Bangladesh, Bhutan, India, Nepal, Pakistan and Sri Lanka. Although we represent these six countries, we would like to stress that ANYONE can become a member of Utsav. One does not have to be of South Asian descent to learn about the culture and traditions of South Asia.

Vietnamese Student Association:
The Northeastern University Vietnamese Student Association (nuVSA) is a student group that promotes Vietnamese culture within the diverse community at Northeastern. Our mission is to establish a rich and healthy connection between individuals, and preserve Vietnamese heritage through healthy interactions at group meetings and events. As a result, the nuVSA intends to reach out to all students and provide a ‘home’ to our members.
