

Fall Open House Program Session Descriptions

Academic Sessions

This is the opportunity to learn more about the majors and programs in each college. If you have more than one academic interest, we encourage you to explore by attending both sessions. Please see page 4 of the program for a list of colleges and majors.

Sessions available at 10:00am and 11:30am

Admissions and Student Financial Services Information Session

The Admissions presentation will take place for approximately the first 45 minutes and the Student Financial Services presentation will take place for approximately the last 30 minutes of each session. Please attend one or both presentations based on your interest and feel free to get up and move to another activity between presentations if necessary. Sessions available at 8:30am, 10:00am, and 1:00pm

Alumni Session

Is your child interested in your alma mater? If so, come hear about the additional services and support we provide to students of alumni from Bill Purnell, Associate Director of Alumni Admissions Programs.

Session available at 12:30pm

Arts and Sciences Academic Fair

Meet with representatives from departments within the College of Arts and Sciences.

Session from 11:00am - 1:00pm

Campus Tours

Tours of the campus led by a student guide depart every hour, on the hour starting at 9:00am. The last tour departs at 2:00pm.

Facility Tours

Participate in one of the following tours, departing promptly at 1:00pm.

Architecture Studio: for students interested in Architecture

Computer Music Laboratory: for students interested in Music Technology

Media Studios: for students interested in media recording, editing, production, and broadcasting (film, music and video)

Visual Arts: for students interested in Art, Graphic Design, Digital Arts, and Multimedia Studies

Information Tables

Staff from Admissions, Disability Resource Center, Husky Athletics, Housing and Residential Life, and Student Financial Services are available throughout the day to answer your questions and direct you to your next session.

Staff available from 8:00am - 2:00pm

Living and Learning at Northeastern!

Students love it here and they want to tell you why! Hear about living and learning (including Student Activities) at Northeastern from a Residential Life staff member and panel of current students.

Sessions available at 11:30am and 1:00pm

Meet and Greet with Northeastern's Cultural Centers

Come meet the staff and students involved in our African American Institute, Asian American Center, and the Latino/a Cultural Center.

Session available at 1:00pm

Pre-Med Overview

Discover how Northeastern supports your medical career goals including medical, dental, and veterinary fields as well as other health professions.

Session available at 11:30am

ROTC Question and Answer Session

Come ask your questions to the staff at ROTC.

Session available at 2:30pm

Tour of International Village Residence Hall

Come tour NU's newest residence hall. Meet in the Library Quad.

Tour available at 2:15pm

Transfer Information Session

Please note, this session is for transfer students only

Session available at 12:00pm

University Honors Program

At this session, you will learn from Honors faculty, staff and students about the opportunities within the Honors Program.

Session available at 11:30am and 1:00pm
