

International & Interdisciplinary Collaborations Fulbright Scholars, Alumni, and Friends

The Northeastern University Center for ADVANCE and the Fulbright Academy of Science & Technology invite you to a panel discussion consisting of Fulbright Scholars and on how women can establish and maintain international research and global collaborations.

DATE: Tuesday, November 17, 2009
TIME: 4:00 pm – 6:00 pm
Snacks & hors d'oeuvres will be served
LOCATION: Northeastern University, Boston, MA
ROOM: 440 Egan Center (4th Floor)

This event will introduce women researchers in the Boston area to other established women researchers who are alumni of the Fulbright Exchange Program. The event is part of a series of dialogues/networking programs for women researchers and scientists organized by the NEU Center for ADVANCE and the Fulbright Academy.

The November Program will include short presentations by women who have successfully established international and interdisciplinary research collaborations.

INVITED SPEAKERS:

Dr. Karen Jacobs, Boston University - Clinical Professor, Department of Occupational Therapy (2005 Fulbrighter to Iceland) – Expert on musculoskeletal discomfort from computer use

Dr. Karen Kayser, Boston College - Professor of Social Work (2008 Fulbright to Italy) – Expert on psychological adjustment of women with cancer

Dr. Phyllis Strauss, Northeastern University – Professor of Biology (2010 Fulbright to India) – Expert on DNA repair, cell physiology and carcinogenesis

Dr. Carola F. Berger, MIT - Center for Theoretical Physics (2003 Fulbright from Austria to SUNY-Stony Brook) – Expert on high energy phenomenology

Open to Faculty, Post-Docs, and Graduate Students!

Please RSVP [here](#) to attend.
