

Are you interested in an academic career
in the fields of civil, mechanical or manufacturing engineering?

Future Faculty Workshop:

A Workshop for Prospective Faculty
to Promote Diversity and Gender Balance
in the Professoriate

July 8, 2012

A one-day workshop covering topics that will help participants find and maintain tenure track faculty positions. The one day workshop will be followed by the National Science Foundation CMMI Engineering and Research Innovation Conference, July 9-12, 2012. This is an excellent opportunity for you to attend a NSF conference in your discipline and gain insights to the faculty search process.

**To apply: www.northeastern.edu/advance/ffw
Applications due by June 1, 2012**

Airfare, accommodations and meals provided at no cost to invited participants

Topics Include:

- Making your CV stand out
- Interviewing skills
- Negotiating a start up package
- Establishing a research program
- Securing research funding
- Understanding the tenure and promotion process
