## Working with Foundations: with Karen Drew

Looking for new or unique ways of funding your work? This month, join ADVANCE for a presentation by Karen Drew, Director of Principal Foundation Gifts in the Office of Development. On May 18, 2010, Ms. Drew will present on the partnerships that exist between Northeastern and various foundations and corporate-giving

programs. The event will be held from 12:00 to 1:30 in the ADVANCE office. Lunch will be served, therefore, we need you to [RSVP](#) to save a seat.

## Chair's Corner

At some point in your career, becoming chair may be in the cards. Having little management training as a researcher makes the task difficult, but in this [online article](#), the political science chair at Duke University offers 10 tips to new and hopeful chairs for running a successful department.

## Career Proposal Writing Workshop

On Tuesday June 1, 2010 at 10:00 am in 440 Egan Research Center, Dr. Horst Wittmann, Senior Research Development Officer in the Office of the Provost, and Professor Sara Wadia Fascetti, of Civil Engineering, will present

a career proposal writing workshop. The [NSF CAREER](#) award is considered to be one of the most prestigious awards that tenure track faculty can receive. Northeastern has been very successful in securing CAREER awards since the program's inception in 1995 with 39 faculty across three Northeastern colleges having received this prestigious distinction to date. This year's due dates are July 20, 21, or 22, depending on the program. The workshop will include proposal writing tips, information specific to the NSF Career program, and advise from recent Career awardees. To attend this event, please [RSVP](#) here. Light lunch will be served at noon.

About Advance: [www.northeastern.edu/advance](http://www.northeastern.edu/advance)

Northeastern University is a National Science Foundation funded ADVANCE Institutional Transformation site. This site's theme is to advance women in interdisciplinary and international networks. This 5-year institutional program is closely aligned with Northeastern's move toward interdisciplinary scholarship and increased global engagement. The Northeastern ADVANCE Program reports to the Office of the Provost. ADVANCE is funded by NSF Award HRD-08111701.
