Bernard M. Gordon Center for Subsurface Sensing and Imaging Systems (Gordon-CenSSIS)
Awareness and Localization of Explosives-Related Threats (ALERT)

2:10 – 3:10  Roundtable Sessions

- These will give students the opportunity to practice their networking skills.
- One representative from each industry and government agency attending will ‘host’ a table of multiple students.
- Students will go around the table to give their elevator speech and network with each other and their table ‘host.’
- Students will rotate tables throughout the session, allowing them to have more opportunities to network and practice their introduction skills.

3:10 – 3:20  Break

3:20 – 5:00  One-on-One Meetings and Networking Session

- Industry and government representatives will have the opportunity to pre-select meetings with students and fellow representatives.
- Participants will rotate throughout this session to allow for more networking opportunities outside of meetings.

5:00  Closing Remarks and Adjourn

- Emel Bulat, Corporate and Government Partnerships Liaison, ALERT
