PROGRAM TOTAL	52 SLP + 9 OR 12 EI

*SLPA5107: If not taken as an undergraduate, students have to take Clinical Procedures as graduate students. Clinical Procedure credits do NOT count towards the minimum 52 graduate credits needed to graduate.

Aural Rehab is required but is waived if taken at the undergrad level. Students who took Aural Rehab at the undergrad level then count **CAEP5150 EI: Family Systems as an SLP MS Program of Studies elective and these 3 credits are applied towards the SLP MS Program of Studies versus the EI Certificate.
