This event is held once a year so don't miss it! If you are on clinical rotations, obtain permission from your preceptor to attend this event.

**ASP meeting January 18, 12N 320 BK**

The Annual meeting is on March 9 in New Orleans, LA and over 2500 students from across the country in addition to 7,000 pharmacists attend! Check out the conference information at [www.aphameeting.org](http://www.aphameeting.org). We have a block of rooms reserved for students, so if you plan to attend and want a spot, let the ASP officers know at the meeting or email Prof. Yorra.

See page 5 for the schedule of events, including student only events labeled as APhA-ASP . This is a wonderful learning and eye opening opportunity to meet lots of people and learn about pharmacy at the national level. We have a block of rooms at the Springhill Suites and if you want to be in the block, you must let Prof. Yorra know ASAP and register for the meeting. We'll try to coordinate flights and the meeting is 3/9 to 3/12. If you are on co-op or APPEs, ask for time off from your preceptor. The hotel costs will be mostly covered by ASP and the Dean's Office, so your cost will primarily be the plane ticket and registration.

Early registration is 2/9 and is \$215 for a student ASP-APhA member, after 2/9, it is \$265  
If you are not a member or have let your membership expire, renew with Prof. Yorra as soon as possible.

In addition to the regular programming, there are many student programming events including educational and fun events. The NE Schools of Pharmacy host a desert reception and you can meet colleagues from the other schools.

### **NU Student Recognition at the National Level**

The NU Patient Counseling Contest was held in December and the winner is **Colleen Martin**, Class of 2013 who will receive a free plane ticket and hotel, and will compete at the National Patient Counseling Contest in New Orleans against 120 other schools of pharmacy. Good luck to Colleen.

We are also very pleased to announce that **Debbie Hsu**, Class of 2012 is receiving a One to One Patient Counseling Award, one of five given nationwide. Debbie will also receive a free trip to the meeting and be recognized at a banquet..

At the ASHP Midyear Clinical Meeting this past December in New Orleans, Students **Micaela Carroll** and **Monique Bidell** competed against teams from other schools of pharmacy and though they did not win, they did very well. Congratulations.

Watch for times and locations of NUSHP, SNPhA and NCPA meetings..
