How to Apply to Graduate:
1. Under the Self-Service tab in your myNEU, you will find the Commencement box located at the bottom left corner of the screen.
2. Choose the Apply to Graduate option and complete the questionnaire.
3. If you receive an error message or your program information is incorrect, please contact your academic advisor and do not complete the application until it is rectified.

Why You Need to Apply:
1. The Apply to Graduate form is vital in providing your college/school, the Office of the Registrar and the Commencement Office with the critical information needed to serve you.
2. Please read the instructions carefully as you fill out the Apply to Graduate form.
3. You will not be able to go back into the application and update this information once you click submit; please ensure accuracy and carefully review the summary page before your submission.

Be sure to review all information provided on the Commencement website at (www.northeastern.edu/commencement) as it provides important ceremony details, related deadlines, information about your diploma, etc.
