3. If you are a Middler, check the Junior box.

FAQ

Q: Are BNS majors eligible to apply?
A: Yes!

Q: I am ready to apply, but the next deadline is still months away. Can I apply now?
A: You can complete your application anytime, but it cannot be processed until the next deadline.

Q: I can't get on the web and need the printed application packet. Can you send me one?
A: Sure, just email me – or pick up a hard copy in the Psychology office, 125 Nightingale Hall.

Q: I just transferred to NU. Can I apply?
A: After you have finished 3 full semesters and 6 psychology courses at NU, you are eligible to apply.

Q: I have completed 2 full semesters at NU and am now enrolled in my third semester. [I was also a psychology major at a previous school and completed some full semesters there.] Can I apply?
A: You will be eligible to apply next semester, after you have finished 3 full semesters and 6 psychology courses at NU.

Q: I transferred to NU as a mid-year junior and have completed only 2 full semesters at NU; this is currently my 3rd and last semester at NU before I graduate. Can I apply?
A: Please email Prof. Baker (a.baker@neu.edu) with the full details of your situation.

Q: Do summer semesters count toward the “3 full semesters” requirement?
A: Summer can count as a single semester if you completed a total of 12 credits. However, if you completed fewer than 12 credits in any given semester, it does not count.

Q: My overall GPA is just under 3.00 / My Psychology GPA is just under 3.0. Am I eligible?
A: Not yet; a 3.00 overall GPA and a 3.00 Psychology GPA are the bare minimum requirements. Just wait another term or more, bring your grades up a little, and then apply!

Q: I am a psychology minor, and we are only required to complete 5 psychology courses. Do I need to complete a 6th in order to apply for Psi Chi?
A: Yup! The requirements are the same for everyone – 6 psychology courses at NU.

Q: What are the benefits of being a member of Psi Chi?
A: See http://www.psichi.org/?page=member_benefits

Q: I joined Psi Chi last year. Do I need to apply again each year to remain a member?
A: No – once you are inducted, membership is for life!

Q: Can I pay the application fee in cash?
A: No, it must be a check or a money order made out to Northeastern University.

Q: Why does the check have to be made out to Northeastern University?
A: The full amount will go to the Psi Chi National Office, but they require that payments be made as a single large check from each university rather than many personal checks from individual applicants. NU will send the single large check on behalf of all NU applicants.

Q: I would like to apply to Psi Chi, but I am away on co-op. Can I mail you my application?
A: You can! Just make sure it arrives in my mailbox before the deadline. Otherwise, it will automatically roll over to the next deadline. Address: Allison Baker, Dept. of Psychology, 125 Nightingale Hall, Northeastern Univ., 360 Huntington Ave., Boston, MA 02115.

Q: Can I have my parents mail you a check separately?
A: You can… just ask your parents to write your name on the memo line of the check.
