3rd Annual Co-op Expo

Who
• To participate, you must:
  • Be an undergraduate student.
  • Have declared a primary major in the College of Science.
  • Complete at least one co-op by January 1, 2015.

When
• Welcome Weekend 2015 (exact date TBA, anticipated February 2015)

Where
• Raytheon Amphitheater (subject to change)

Why
• Share what you have learned during co-op with the Northeastern University community!
• The students that give the best presentations will win prizes! The 2014 winner took home an iPad mini!
• Participation satisfies your co-op reflection requirements.

How
• Review the instructions on how to prepare a poster (see attachment).
• Compose a scientific poster reflecting upon your co-op experience (NU will print the poster for you).
• Present your poster at the Expo.
