- Under “My Reservation Templates” you will see “CSI Call for Programs Request 2019 - 2020,” Click on “Book Now” next to this template.

Continue
Use the options on the left hand side to select your dates, times, and location for your request.

***If you have multiple different dates/times/spaces you need for one event, choose just one to start***

Click on “Search”

Please note: the website automatically logs-out after 40 minutes. If you are in the middle of a form during the time-out, your progress will be lost. If you need to complete multiple event requests, it’s a good idea to log out and log back in between requests.
On the right hand side you will see the rooms that are able to be requested.

Click on the **BLUE PLUS SIGN** to add the space to your cart.

You can click on the name of the venue to learn more about the space, its capacities, etc.

***Please note that unlike booking other events through NUSSO, if a room shows up on this list it does not mean that you will necessarily be assigned that space. The rooms that appear are currently available, however due to many people requesting the same dates, you may not be assigned the date, time, or space requested in this section.***
In this example, after selecting the **BLUE PLUS SIGN**, your requested space (Afterhours) appears on top.
If you need another space for the same event, you can search for and add more spaces to your cart by changing the information on the left, and clicking “Search” again.

For example, you are requesting an event in Afterhours on 11/14, and you want a reception (for the same event) later that day. After adding the Afterhours times to your cart, you can go in and request space for the afternoon reception (Indoor Quad).

Enter new dates/times/spaces & click “Search”

Click the **BLUE PLUS SIGN** box to continue to add new spaces/dates/times to your event cart above.
Once you have selected the first-choice spaces you need for this event, click on “Next Step” in the upper right hand corner.
You will be directed to a page to fill out your event details.

A few important notes:

Under Customer you must select your department. This account will end in (FS)

Select your name as “1st Contact.”
- If you will not be the contact for this event come next year, or you have an additional contact be sure to add a “temporary contact” as the 2nd Contact, with the new leadership’s name.

Please provide as many alternate dates/spaces as possible. The times you selected on the previous page indicate your first choice. In the case that your first-choice space is not available, we will attempt to assign another space depending on what you indicate in this section.

After filling in the required questions, review the terms and conditions, and click “Create Reservation”.

I’m done requesting events

Please note: the website automatically logs-out after 40 minutes. If you are in the middle of a form during the time-out, your progress will be lost. If you need to complete multiple event requests, it’s a good idea to log out and log back in between requests.
To view all events you’ve requested click on “My Events” in the left sidebar.
This screen shows all events you’ve requested – these are “Reservations,” or umbrella events. Each “Reservation” can have multiple instances, “bookings,” attached.

In the above example, I have two umbrella events, but the Speaking Event has multiple instances.

To see what instances you requested for each event, click into the Reservation.
After clicking on an event name, this screen shows the details of the reservation, and any associated bookings.

- In this example, I have two different spaces requested for my “Speaking Event”

- To change contact information or event type, click on “Edit Reservation Details”

- To change alternate dates/times/spaces or other description information, click on the “Additional Information” tab, and then “Edit Additional Information”

- To change dates/times/spaces, click on the pencil button next to the individual booking
