Inviting Inquiries and Applications for the 2011-12 Fellowship Year

The Massachusetts EPFP is a ten-month development program for mid-career professionals in education and related fields. Fellows in the program develop skills and knowledge in the areas of leadership, public policy and networking. Massachusetts EPFP is part of a network of twelve state programs sponsored by the Institute for Educational Leadership in Washington, DC.

Massachusetts EPFP is an opportunity to:

- Develop leadership skills and learn about your leadership potential;
- Engage in education policy discussions with experts in the field;
- Create a network with local, state, and national fellows and alumni.

The program year begins with an overnight retreat in September in Ashland, MA. Fellows meet on Tuesdays twice each month, from 5-8 PM, in dinner meetings from October to May. Meetings include guest speakers and discussion among fellows on topics related to leadership and public policy. Massachusetts participants also meet with fellows from other states at one regional and one national meeting:

- Regional Leadership Forum in Pennsylvania, October 6-7, 2011
- Washington Policy Seminar in Washington, DC, April, 2012

Applications are accepted beginning in May 2011 until the new cohort is filled.

Please visit the Massachusetts EPFP website at www.northeastern.edu/epfp/ for application materials and more information.
