**LOADS**

All full-time members of the University faculty participate in the total program of instructional, research, and extracurricular activities that have been established to encourage the general development of Northeastern students. Advisory responsibilities, whether academic or associated with officially recognized student organizations, are important to the attainment of its overall educational objectives and are taken into consideration when faculty assignments are determined.

All faculty assignments are made by the appropriate academic Deans and/or Department Chairs under authority delegated by the Provost. It is expected that members of the faculty will discharge their nonteaching assignments with the same sense of responsibility which they bring to their classroom obligations.

1. Though the specific wording of this policy applies to members of the Teaching Faculty, the same expectation of full participation in the total program of the University exists for Co-op Coordinators, Clinical and Academic Specialists, and full-time or benefits-eligible Lecturers as well. The array of specific areas in which these individuals are expected to participate is determined by their particular job descriptions and letters of appointment.
