Summit is two days of intense personal development for chapter and colony leaders. Summit prepares you to answer the call of leadership in the fraternity and sorority community. All participants and facilitators at this event are ready and willing to create the best possible environment for learning. Our commitment to you is that this weekend will allow you the opportunity to:

- Build community among fraternity and sorority leaders
- See what the future holds for our community
- Tackle the tough issues facing our fraternal community
- Increase the effectiveness of communication between leaders
- Agree upon an agenda for change
- Identify the leaders of tomorrow for our community
- Discuss fraternal values and expose common bonds
- Work for the good of the whole
- Challenge your fraternity/sorority leaders to be bold and leave a legacy of hope for future generations
- Have a fun, motivational, and inspiring fraternity/sorority experience

This is the commitment that the Summit facilitators make to you! In order for you to get the most out of this weekend, you will need to make a commitment as well. You will need to make the choice to live with integrity this weekend. The Summit facilitators will not allow behavior that will impede or distract from the experience of other participants. Thank you for helping us to uphold the values of fraternity and sorority life.

1. I agree to conduct myself in a way that brings honor to myself, to my chapter, and to the fraternity and sorority community.
2. I agree to abide by Northeastern University's Code of Conduct.
3. I agree to take responsibility for my own learning by arriving on time and attending every session.
4. I agree to serve as a role model if I have participated in a similar session/discussion at another event, and challenge myself to step out of my own chapter experience this weekend.
5. I agree to keep an open mind and respect individual differences and the dignity of all people.
6. I agree to refrain from using alcohol or other drugs while at Summit, which includes staying out of locations where alcohol is present or being served.
7. I agree to treat the South Shore YMCA facility and staff members with the upmost respect.
8. I agree to use the values, principles, and ritual of my organization and the fraternal community as a guide throughout the weekend.
9. I agree to challenge myself to have conversations with members of other groups (including potential confrontations) about our commitment to our organizations and to fraternity and sorority life.

Summit is extremely important to the Northeastern University Fraternity and Sorority Community and is a great investment.
