Founded in 1898, Northeastern University is a private research university located in the heart of Boston. Northeastern is a leader in experiential learning, interdisciplinary scholarship, urban engagement, and research that meets global and societal needs. Our broad mix of experience-based education programs—our signature cooperative education program, as well as student research, service learning, and global learning—build the connections that enable students to transform their lives. The University offers a comprehensive range of undergraduate and graduate programs leading to degrees through the doctorate in six undergraduate colleges, eight graduate schools, and two part-time divisions.
