### FREQUENTLY ASKED QUESTIONS

**Who is guaranteed housing?** Current 1st and 2nd Year Students are guaranteed housing for the 2010-2011 academic year. They must apply and deposit on-line at [myNEU.neu.edu](http://myNEU.neu.edu) by noon on January 20th. Any Current 1st and 2nd Year Students who fail to submit a housing deposit and application by January 20th will be placed on a Wait List and will not be part of the Room Selection & Placement Process. Be sure to keep your on-line application confirmation and credit card statement or returned check for your records.

**My student is an athlete with a 100% scholarship, do they need to deposit for housing?**

Students with 100% scholarships must submit a housing application on-line for the term they will need, but do not need to submit a housing deposit. They MUST e-mail their Name, NUID# and type of scholarship to Housing & Residential Life at [housing@neu.edu](mailto:housing@neu.edu) to see if their housing deposits should be waived. The deadline is January 20th.

**Why are the housing deposits not billed to my account?**

Housing is not guaranteed for all students, and not all students want to live on campus. Therefore, students who want to live on campus must pay a housing deposit by the deadline to hold a space on campus. Failure to submit a deposit will cause the student to be added to the Fall 2010 Wait List.

**How will my student's lottery number be assigned?**

Lottery numbers are randomly computer generated based on year of attendance. Randomly selected students with application who are Current 4th year students will receive the "best" lottery numbers, followed by Current 3rd years students and then all guaranteed Current 2nd and 1st year students.

## Frequently asked questions continued....
