Northeastern encourages you to elect to receive an electronic W-2 (eW-2).

eW-2’s are available two weeks before the paper W-2’s are mailed; they are a secure, paperless, and cost-effective way to receive this important and confidential information.

You can use Employee Self-Service to consent receive an eW-2. It’s simple:

- Go to myNEU
- Enter your username and password
- Click on the Service and Links tab
- Click on Employees Self-Service
