Healthy Visions Project

Healthy foods, healthy neighborhoods, healthy people!

What are they? What do they look like? Who are they? What are they doing?

Use your creativity to design a poster that shows healthy food and healthy neighborhoods!
Your poster should clearly promote good health through pictures, or words.

Think about designing a poster that you can see hanging in your community.
What would make people think about health and talk about it with friends and family?

HEALTH AND ART WORKSHOP (18 years and younger):

Saturday, September 11, 2010, 10am-11am
Dimock Community Health Center – Family Health Day
55 Dimock Street, Roxbury, MA

Monday, Sept. 27, 2010, 6:30-7:30pm
Somerville Central Library
79 Highland Ave, Somerville

Wednesday, October 6, 2010 from 6pm-7pm
Honan-Allston Branch – Boston Public Library
300 North Harvard Street, Allston, MA 02134

You do not have to attend a workshop to submit a poster.

Rules for Entering the Poster Contest
- The poster can be created on any type of paper.
- Each poster must be created only by the person who enters it.
  You must be 18-years-old or younger to participate.
- You can use crayons, paint, a computer, colored pencils, etc.
- All posters must be received by 5pm on Friday, October 8, 2010
- Include your name, your age, and contact information (phone #, and address or email) on the back of the poster in ink so we can contact you.

Prizes
- Poster prizes will be announced at the end of October.
- Posters will be displayed and recognized by Northeastern’s Institute on Urban Health Research.
- Age categories for prizes are as follows:
  8 yrs. old & less; 9-13 yrs. old; 14-18 yrs. old.
