**fyi: the entrance has a bright red awning, and it used to be called the Black Horse Tavern

Our guest host, Dr. Lauren Smith, is a venerable force in the Commonwealth. She serves as the Medical Director at the Massachusetts Department of Public Health, and is former Medical Director of the Medical Legal Partnership for Children, Boston Medical Center. She is also lead author of some of the first Health Impact Assessments in the country – topics: children’s health, energy costs, and affordable housing.
