### Driving and Parking Directions

***Please print and place the parking pass visibly on the dashboard of your vehicle.***

The free parking **ONLY** applies to the Columbus Garage (located at 795 Columbus Avenue, Boston, MA 02115) and is only valid for this information session on February 1, 2012. If you or your guest(s) park in any other parking garage or lot, or utilize on-street parking, we will be unable to reimburse your parking fee. For driving directions to campus and the Columbus Garage, please visit the University website at:

<http://www.northeastern.edu/law/admission/visit/directions.html>.

The Columbus Garage is a short walk to Dockser Hall, which is located at 65 Forsyth Street, between Greenleaf Street and Huntington Avenue. To get to Dockser from the garage, you will exit from the front entrance and head through the open air parking lot to the set of stairs. Follow the stairs up and over towards the main Northeastern campus. At the bottom of the stairs, you will take a left and then bear right onto Forsyth Street. Go straight on Forsyth Street toward Huntington Avenue. Dockser Hall will be the second to last building on your left before you reach Huntington Avenue. For a map of campus, visit <http://www.northeastern.edu/campusmap/printable/campusmap.pdf>. For your reference, the Columbus Garage is #65 on this map and Dockser Hall is #39.

### Public Transportation

Dockser Hall is accessible by subway via the Green Line of the MBTA. From downtown Boston, take an "E" train outbound to the Northeastern stop, the first stop above ground. Heading away from the Marino Center, cross the trolley tracks and Huntington Avenue and walk one block down Forsyth Street to the entrance to Dockser Hall.

Dockser Hall can also be reached from downtown via the Orange Line by taking any train going to Forest Hills and getting off at Ruggles Station. Commuter rail lines connect with the Orange Line at Ruggles Station, Back Bay Station, and North Station. (See campus map for walking directions from Ruggles Station).
