

LEE P. BRECKENRIDGE

Professor of Law
Northeastern University School of Law
400 Huntington Ave., Boston, MA 02115

tel.: (617) 373-3849
fax: (617) 373-5056
e-mail: l.breckenridge@neu.edu

Professional Experience

Northeastern University School of Law
Professor of Law, 1996 to present
Associate Dean for Academic Affairs, 2009-2011
Associate Professor of Law, 1990 to 1996
Adjunct Professor of Law, 1989

Teaching responsibilities and research focus in environmental and natural resources law, land use regulation, and administrative law. Current courses in Environmental Law, Natural Resources Law, Land Use, and Administrative Law. Prior courses in Property, Wildlife and Ecosystems Law, Water and Wetlands Law, Hazardous Waste Law.

Faculty advisor and coordinator of the J.D./Master of Environmental Law and Policy (MELP) dual degree program of Northeastern University School of Law and Vermont Law School. Supervisor of student independent study projects in environmental and natural resources law, land use planning, and housing law. Member of faculty for JD/MPH program, a joint public health program of Northeastern University School of Law and Tufts University School of Medicine. Member of affiliated faculty and dissertation advisor for graduate students in Northeastern's Law and Public Policy Program (formerly the Law, Policy and Society Program).

Department of the Attorney General, Commonwealth of Massachusetts
Chief, Environmental Protection Division, 1986-1990
Assistant Attorney General, 1982-1990

Supervised attorneys and support staff responsible for environmental litigation on behalf of the Commonwealth and its administrative agencies. Litigated suits to enforce federal and state environmental requirements, including laws governing hazardous and solid waste management, air and water pollution control, wetlands protection, coastal zone management, and leasing of federal submerged lands.

Office of the Attorney General, State of Tennessee
Assistant Attorney General, 1978-1982

Litigated civil cases in federal and state courts on behalf of the State of Tennessee and its administrative agencies. Brought and defended suits under environmental protection laws, including actions concerning hazardous waste sites, water pollution discharges, and air emissions. Handled civil actions on behalf of state agencies under public health, mental health, housing and civil rights laws.

U. S. Court of Appeals for the Sixth Circuit, Honorable Gilbert S. Merritt
Law Clerk, 1977-1978

U. S. Environmental Protection Agency, Office of General Counsel, Water Division
Attorney-Advisor, 1976-1977

Participated in developing regulations under the Federal Water Pollution Control Act, the Safe Drinking Water Act, and the Surface Mining Control and Reclamation Act. Reviewed and recommended action on state applications for delegation of federal water pollution control programs. Assisted the Department of Justice in defending regulations on judicial review.

Education

Harvard Law School, J.D. 1976
Comments and Notes Editor, Harvard International Law Journal

Yale University, B.A., summa cum laude, 1973
Phi Beta Kappa, Honors in Russian and Eastern European Studies

Publications

Law Review Articles and Book Chapters

State Survey: Massachusetts, annual supplement to 6 WATERS AND WATER RIGHTS (Robert E. Beck ed., 1991 ed., 2005 repl. vol.) (Supp. 2006, 2007, 2008, 2009, 2010)

Ecosystem Resilience and Institutional Change: The Evolving Role of Public Water Suppliers, in CITIES OF THE FUTURE: TOWARDS INTEGRATED SUSTAINABLE WATER AND LANDSCAPE MANAGEMENT (Vladimir Novotny & Paul Brown eds., 2007).

Student Law Review Articles

Comment, *Non-Recognition of Foreign Abandonment Decrees in United States Adoption Proceedings*, 18 HARV. INT'L L.J. 137-150 (1977)

Note, *War Risks*, 16 HARV. INT'L L.J. 440-456 (1975)

Papers and Presentations

Lectures, Conference Papers and Colloquium Presentations

Conference, Policy Space: Wastewater Mitigation & Restoration Strategies on Cape Cod, sponsored by the Water Alliance and Clean Water Action, presentation on "Green Infrastructure: Mitigation Planning and Settlements," Sept. 2, 2011.

Vermont Law School, Hot Topics in Environmental Law: Summer 2010 Brown Bag Lecture Series, The BP Oil Spill -- What Went Wrong with the Law?, July 22, 2010

Northeastern University, Center for Urban Environmental Studies, Urban Hydrological Sustainability Workshop, presentation on "Ecosystem Resilience and Institutional Change: Rethinking the Roles of Water and Sewer Organizations," Dec. 1, 2006.

Interdisciplinary Conference on "Cities of the Future: Creating Blue Water in Green Cities," Wingspread Conference Center, Johnson Foundation, Racine, Wisconsin, July 12-14, 2006. Presented paper on "Ecosystem Resilience and Institutional Change," July 13, 2006.

University of the Pacific-McGeorge School of Law, International Law Conference: Transboundary Freshwater Ecosystem Restoration: The Role of Law, Process and Lawyers, presented paper on "Special Challenges of Transboundary Coordination in Restoring Aquatic Ecosystems," February 18, 2005.

Florida State University College of Law, faculty workshop, "Water Rights and Biological Integrity," February 24, 2004.

Florida State University College of Law, Journal of Land Use and Environmental Law Distinguished Lecturer series, lecture on "Can Fish Own Water? Envisioning Nonhuman Property in Ecosystems," February 23, 2004.

Northeastern University School of Law Conference on Progressive Lawyering: Rethinking Ideology and Strategy, organizer and moderator of panel on "Global Markets, Global Pollution," November 7, 2003.

West Virginia University College of Law, Symposium on Water Issues in the Appalachian Region, presented paper on "Maintaining Instream Flow and Protecting Aquatic Habitat: The Promise and Perils of Regulated Riparianism," October 2, 2003

New England School of Law, New England Journal of International and Comparative Law, Symposium on Assessing the Present and Exploring the Future of International Environmental Law, moderator of panel on "Human Rights: Negotiating Stewardship," March 10, 2003.

Georgetown University Law Center, Environmental Research Workshop, presented paper entitled "Envisioning Nonhuman Property in Ecosystems," October 17, 2002.

Stanford Law School, Environmental and Natural Resources Law and Policy Program, Environmental Workshop, presented paper on "Diversity and Differentiation in Environmental Law," April 29, 2002.

Boston College Law School, Environmental Law Colloquium, speaker on "Environmental Policy Changes in the New Administration," Nov. 27, 2001

Eleventh Institute for Natural Resources Law Teachers, Ecosystem Services and the Law program, speaker on "Integrated Watershed Management: Lessons from the Charles River Watershed," in the session on Applying Ecosystem Services to Watershed Management: Extending the Concept to Natural Resource Policy, June 2, 2001. Paper published in ELEVENTH INSTITUTE FOR NATURAL RESOURCES LAW TEACHERS (Rocky Mt. Min. L. Fdn. 2002).

Fordham University School of Law, Symposium on The New York City Watershed in the 21st Century: Preserving a Vital Resource, speaker on "Regional Watershed Management," March 28, 2001.

Tufts University School of Medicine and Northeastern University School of Law, Conference on Law and Public Health: A Partnership in Action, speaker on "Protecting Public Health through Environmental Law" in the plenary session on The Role of Law in Improving Public Health, November 10, 2000. Remarks published in the Journal of Public Health Policy (23:2)

Crossing Boundaries Conference of the International Association for the Study of Common Property, speaker on "Modes of Ecological Decision-making in Institutional Context" (examining the evolution of institutions for collaborative management of resources), June 14, 1998

Annual Meeting of the Association of American Geographers, speaker on "Roles of Watershed Organizations in Fostering Place-Based Environmental Governance", in the session on Rethinking Institutions for Managing the Regional Landscape, March 26, 1998.

University of Florida Fourth Annual Public Interest Environmental Conference, plenary session speaker, "Connecting People with their Environment: Changing Laws and Institutions," March 7, 1998.

University of California at Berkeley, Ecology Law Quarterly Symposium on Power, Politics and Place, presented paper on "Emerging Roles of Non-Profit Organizations in Ecosystem Management," February 21, 1998.

The Environment and Justice, Summer Seminar on Halki '97, presented paper on "Organizing to Achieve Environmental Justice: Legal Perspectives on Protecting Community Autonomy and Fostering Public Participation," July 1997. The Ecumenical Patriarchate, Istanbul, sponsored the seminar series.

Yale Center for Environmental Law and Policy (of the Yale School of Law and the Yale School of Forestry and Environmental Studies), member of a study team and participant in the Expert Symposium on Property Rights and Responsibilities convened as part of The Next Generation Project, an environmental policy reform initiative, May-September 1996, which resulted in the publication of THINKING ECOLOGICALLY: THE NEXT GENERATION OF ENVIRONMENTAL POLICY (Marian R. Chertow & Daniel C. Esty eds., 1997)

Joint Meetings of the Law and Society Association and the Research Committee on the Sociology of Law of the International Sociological Association, speaker on "The Role of Intermediary Organizations in Restructuring Institutions for Ecosystem Management," July 1996.

Institute of Politics, John F. Kennedy School of Government, Harvard University, Science and Public Policy Study Group, speaker on "Legal Disputes Concerning Natural Resources Management on the Outer Continental Shelf," February 27, 1996.

Vermont Law School, Northern Forest Lands Symposium, presented paper on "Localism, Centralization, or Partnership: The Ecological Debate over Ownership and Control of the Northern Forests," September 30, 1994.

Seventh Institute for Natural Resources Law Teachers, Session on Innovative Techniques to Enrich the Environmental Law Curriculum, speaker and discussion moderator, May 15, 1993. Materials prepared for this presentation were published as *Innovative Techniques to Enrich Curriculum and Relieve Boredom: Environmental Law*, in SEVENTH INSTITUTE FOR NATURAL RESOURCES LAW TEACHERS 3A-1 to 3A-97 (Rocky Mt. Min. L. Fdn. 1993) (compilation of teaching materials with introductory discussion).

University of Cincinnati School of Law Faculty Seminar, speaker on "Rights of Indigenous Peoples and Local Communities in Ecosystems under International Environmental Law," December 4, 1992.

Government Structures in the U.S.A. and the Sovereign States of the Former U.S.S.R.: Power Allocation Among Central, Regional and Local Governments Conference, Hofstra University, presented paper on "Fractal Federalism: Evolving National-State Relations in U.S. Environmental Law," April 10, 1992.

Global 2000 Faculty Colloquium, Northeastern University, speaker on "Diversity and Uniformity in Environmental Law: Issues of Local Autonomy and Central Control," March 11, 1992.

Legal Education Programs for Professionals (since 1990)

Georgetown University Law Center Environmental Law and Policy Institute, Litigating Takings and Other Constitutional Challenges to Land Use and Environmental Regulations, conference held at Harvard Law School, October 27-28, 2005, moderator of day-long session on October 27, 2005.

Boston Bar Association, Continuing Legal Education Conference on Administrative Law and Litigation, speaker on "Administrative Law Practice in the Environmental Law Context," June 13, 2002.

American Public Health Association, training course on Environmental Justice and Public Health (Continuing Education Institute #1009), speaker and author of course materials on "Environmental Justice: Trends in the Law," November 11, 2000. Program presented in collaboration with the Boston Public Health Commission and Alternatives for Community and Environment (ACE), at the APHA 2000 Annual Meeting. Written materials published by APHA, 2000.

Massachusetts Continuing Legal Education (MCLE), Environmental Law Conference 2000, speaker on "Environmental Zoning and Watershed Management," April 27, 2000

Recent Developments in Environmental Law, seminar for the judges of the Massachusetts Superior Court, November 26, 1991.

Environmental Policy: Development and Implementation, training program for developing country officials conducted by the Environmental Law Institute (sponsored by the Institute for International Education and funded by the U.S. Agency for International Development), speaker and author of training simulation, September 1991.

Case Management and Discovery Issues in Environmental Litigation, Boston Bar Foundation Continuing Legal Education Seminar, speaker on "State Environmental Litigation Issues," June 12, 1991.

New England Judges' Conference on Environmental Law, sponsored by Environmental Law Institute and Flaschner Judicial Institute, speaker on "State Environmental Law: The Administrative Process and the Role of the Courts," co-author (with Andrew Savitz) of training simulation, and discussion moderator, April 26-27, 1991.

Natural Resource Damages Claims and Litigation Conference, Executive Enterprises, Inc., speaker on "The Assessment of Natural Resources Damages," April 15-16, 1991.

Other Law-Related Presentations

Breaking into Law Teaching: New England, workshop co-sponsored by the Society of American Law Teachers and Northeastern University School of Law, panel speaker, June 17, 2011

Northeastern University, Scholarship and Research Exchange Retreat on Sustainability, "Legal Systems for Sustainable Management of Natural Resources," Jan. 29, 2010

Northeastern University, F.O.C.U.S. Forum on The Environment and Public Health, speaker on "Environmental Justice Issues in Massachusetts," April 12, 2007

Ipswich River Watershed Association, Annual Meeting, presentation on "Regulating Private Irrigation Wells," June 21, 2005.

Massachusetts Department of Fish and Game and The Nature Conservancy, Massachusetts Stream Flow Conference, presenter and moderator of a panel on "Legal Issues in Protecting Stream Flow," April 29, 2005.

Bard College, Annandale-on-Hudson, New York, Environmental Policy Graduate Program, guest lectures on environmental law, 2001, 2002, 2003, 2004.

Boston Bar Association, Environmental Law Section, speaker on "Riparian Water Rights and Instream Flow," November 18, 2003.

Boston Bar Association, Environmental Law Section, speaker on "The Bush Administration's Emerging Environmental Policy: The First 100 Days," May 15, 2001

Northeastern University, Colloquium on Earth Day at 30: Looking Back, Looking Forward (sponsored by the Political Science Department), panel speaker, April 20, 2000.

Boston Bar Association, Environmental Litigation Section, speaker on "Citizens' Standing to Enforce Environmental Requirements: Recent Developments in the Law," March 1999.

Massachusetts Department of Environmental Protection, colloquium series sponsored by the General Counsel's Office, speaker on "The Evolution of Agency Roles and the Development of New Organizational Arrangements in the Field of Environmental Law," January 1999.

National Association of Environmental Law Societies Annual Meeting, panel discussion moderator on the Boston Harbor litigation, March 17, 1995.

Boston 2000 Conference, Northeastern University, organizer and moderator of panel on Environmental Justice and Urban Development, June 24, 1994.

New England Environmental Conference, Tufts University, speaker on "The Development of International Environmental Law to Protect Biological Diversity," March 20-21, 1993. Paper published as *Conservation of Biological Diversity: Who Should Own the Rainforest?* 1-4, in RECORD OF PROCEEDINGS OF THE FIFTEENTH NEW ENGLAND ENVIRONMENTAL CONFERENCE (1994).

Tufts University Center for Environmental Management, United Nations Environment Programme/Tufts Post-graduate Program in Environmental Management for Developing Country Professionals, lecturer on Natural Resource Ownership Systems and Implications for the Conservation of Biological Diversity, December 6, 1993.

Northeastern University American Society of Civil Engineers Student Chapter Spring 1992 Lecture Series, speaker on "Environmental Law, Politics, and the Oil Industry," May 14, 1992.

Northeastern University School of Law, Alumni Day, speaker on "Environmental Politics: Law and the Oil Industry," October 19, 1991.

Santa Fe Council for Environmental Excellence, member of program planning committee, 1990-1992. Presented paper on "The Challenge of Environmental Management: Defining New Goals, New Strategies and New Alliances," at meeting in Santa Fe, N.M., May 30, 1991.

Southern Environmental Enforcement Network Conference, Charleston, S.C., speaker on the development of environmental law programs for judges, March 28, 1991.

Northeastern University School of Journalism, panel discussion, From Love Canal to the Exxon Valdez: Environmental Journalism 20 Years After Earth Day, speaker on "Media Reporting of Developments in Environmental Law," April 19, 1990.

New England Environmental Expo '90, "Superfund Enforcement: Using the Settlement Process to Achieve Cleanups," panel speaker, April 10, 1990.

New England Environmental Law Society, City Living in the 1990's: A Day of Urban Environmental Issues Conference, panel discussion moderator, March 31, 1990.

Professional Affiliations and Boards

Public Health Advocacy Institute (PHAI), Boston, Massachusetts, Board Member, 2006 - .

ENVIRONMENTAL MANAGEMENT (Springer-Verlag), editorial board, 2004 - 2010.

LAND USE AND ENVIRONMENTAL LAW REVIEW, first-level articles review panel, 2002 - .

American Association of Law Schools. Member, Environmental Law Section, since 1990; Section Chair, 1999-2000; Member of Section Executive Committee 1994-2001. Member of Natural Resources Law, Property Law, and State and Local Government Law Sections. Member of Property Law Section Professional Development Conference Proposal Committee (Jan.-May 2003) for conference on Teaching Property Law for the 21st Century (June 2004).

IUCN (The World Conservation Union), Commission on Environmental Law (CEL), Member 1998 - 2005.

Bard College, Annandale-on-Hudson, New York, Affiliated Faculty Member, Environmental Policy Graduate Program, 2000 to 2003. Member, Advisory Board, 2003 to 2005.

Energy and Mineral Law Foundation (formerly Eastern Mineral Law Foundation), member, 1990 to present. Participant in the Institutes for Natural Resources Law Teachers, co-sponsored by the Energy and Mineral Law Foundation and the Rocky Mountain Mineral Law Foundation.

Advisory Board of ENVIRONMENTAL OUTLOOK JOURNAL, a publication of Albany Law School, 1995-2003.

Clinics Committee, 1996-1997
Curriculum Committee, 1993-1995
Chair, Faculty Appointments Committee, 1991 to 1993
Chair, Academic and Student Affairs Committee, 1990-91
Search Committee for Associate Dean, 1991
Search Committee for Assistant Dean for Student Services, 1990-91
Search Committee for Assistant Dean for Legal Placement, 1990

Ph.D. Dissertation Committees, Law and Public Policy (LPP) Program (formerly Law, Policy and Society (LPS) Program)

Member of dissertation committees for Ph.D. students in environmental and natural resources law and policy:

Dehner-Denenberg, Corey, 2009. Private Sector Involvement in Public Water Distribution: Assessing Local Water Systems in Massachusetts

Estrella-Luna, Neenah, 2009. Environmental Review in Massachusetts: The Relationships, the Decisions, and the Law

Pritchard, Henderson Wolfe, 2009. Race, Class, and Environmental Equity: A Study of Disparate Exposure to Toxic Chemicals in the Commonwealth of Massachusetts

Dutt, Kuheli, 2007. Governance Institutions and the Environment-Income Relationship: An International Perspective

Whelpley, David, 2007. The State and Municipal Effect: Enforcing the Clean Water Act in Massachusetts/California – Boston/San Diego

Soule, David, 2003. Managing Sprawl: A Boston Area Case Study

Stoessel, Judith, 1998. Environmental advocacy in Massachusetts 1976-1996: Public Interest Groups and the Legislature

Rukuba-Ngaiza, Nightingale, 1996. Community Participation in the Conservation of Forests and Wetlands Resources in the Lake Victoria Region in Uganda: Legal and Institutional Aspects

Additional Teaching and Supervision of Student Work

Independent Studies. Supervised numerous independent study projects by law students in environmental law, natural resources law, land use, international human rights to the environment, agricultural law, animal law, 1989 to present.

Faculty supervisor for Northeastern University School of Law student teams participating in the annual Pace Environmental Law Moot Court Competition.

Legal Skills in Social Context (LSSC), first-year law course, faculty adviser for student social justice projects in various academic years. Occasional participant in the law school's earlier Law, Culture and Difference (LCD) first-year law course.

Law and Public Policy (LPP) program, formerly Law, Policy and Society (LPS) Program. Lecturer on property law concepts and the management of “common pool” resources, in courses taught by Professor Richard Daynard.

Northeastern University Civil Engineering Department, guest lecturer on environmental legislation and regulation, in course taught by Professor Vladimir Novotny, 2009.

Northeastern University Civil Engineering Department, guest lecturer on environmental legislation and regulation, in courses on Environmental Protection and Management taught by Professor David Langseth, 2002, 2004.

Northeastern University Chemical Engineering Department, guest lecturer on hazardous waste law, in course taught by Professor Donald L. Wise, 1991.

Student Advising

Faculty Advisor, Northeastern Environmental Law Society, formerly Legal Environmental Advocacy Forum and the Environmental Law Forum; HEAT Law; Animal Law Defense Fund (student organizations).

Advisor for students pursuing issues in environmental and natural resources law. Provide advice on coursework, co-op placements, and career decisions. Offer guidance on research on environmental law issues in projects supervised by other faculty members.

Community Service

Government Advisory Committees

Sustainable Water Management Advisory Committee, 2009 to present. Appointee of the Massachusetts Secretary of Energy and Environmental Affairs on advisory committee established to investigate and recommend changes to Massachusetts water management laws, regulations, and policies.

Advisory Committee for the New Charles River Basin Master Planning Project, 1992 to present. Designee of Massachusetts Secretary of Environmental Affairs on committee formed to address master plan for the extension of parkland along both banks of the Charles River from the Museum of Science to Boston Harbor.

Wastewater Advisory Committee to the Massachusetts Water Resources Authority, member, 1992 to 2002. Appointed by MWRA Board to committee established to address water pollution issues.

Administrative Hearing Reform Advisory Committee, 1993-1994. Appointed by Massachusetts Commissioner of Environmental Protection to committee established to develop revisions to the administrative procedures of the Department of Environmental Protection.

Focus Meetings for the Redesign of the Federal Superfund Program, 1994. Participated at the request of the U.S. Environmental Protection Agency Regional Administrator in a series of meetings to recommend changes in the implementation of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA).

Bridge Design Review Committee, 1991-1993. Designee of Massachusetts Secretary of Environmental Affairs on advisory committee established to address land use controversies and environmental impacts related to the Central Artery Project in Boston.

Study Committee for Waste Site Cleanup Program Improvements and Long-Term Funding, 1990-1992. Appointee of Massachusetts Commissioner of Environmental Protection on advisory committee established by legislature to recommend statutory and regulatory changes in the Massachusetts hazardous waste site program.

Other Community Service

Charles River Watershed Association, Board of Directors, 1995 to present. Active in efforts to address pollution and development impacts and enhance recreational opportunities in the major watershed of the Boston metropolitan area. Participate on behalf of the association in advocacy efforts to develop integrated water management requirements, wisely allocate water withdrawal rights, preserve wetlands, and control urban sewage and stormwater discharges.

Massachusetts Instream Flow Task Force (MIFT), participant in meetings of a coalition formed to address issues of instream water flows and protection of aquatic habitat.

Newton Conservators, Board of Advisors, since 2002. Member, Board of Directors, 2000-2002. Local organization focused on preservation and management of municipal and privately owned open space in the City of Newton, Mass.

Advisory Panel, Arnold Arboretum Institute for Cultural Landscape Studies, concerning the formation of public-private partnerships to protect cultural landscapes, 1999.

Bar Admissions

Admitted to practice law in the state courts of Massachusetts and New Jersey; state courts of Tennessee (inactive status); the United States District Courts for the District of Massachusetts, the Middle District of Tennessee, and the District of New Jersey; the United States Court of Appeals for the First Circuit; and the United States Supreme Court.
