Should We Pay for Eggs, Sperm & Wombs?

A Discussion About the Role of Markets in Assisted Reproduction

Should eggs, sperm and wombs be off limits to market principles? This dynamic presentation will explore the intersection among law, biotechnology and ethics.

WEDNESDAY, OCTOBER 5, 2011 • NOON – 1:30PM
240 DOCKSER HALL • NORTHEASTERN UNIVERSITY SCHOOL OF LAW

Co-Sponsors: Women’s Law Caucus, Department of Philosophy and Religion, and the Women’s Gender and Sexuality Studies Program
