Innovation in a Time of Healthcare Reform

PLEASE JOIN US FOR LUNCH

Friday, November 16
230 Dockser Hall
Northeastern University School of Law
400 Huntington Avenue
Boston, MA 02115
12:00PM-1:30PM

This lunch-time panel will inform the community about changes in healthcare law and policy affecting opportunities for innovation in the United States.

Joining our panel will be:

- Two intellectual property attorneys familiar with the legal issues confronting entrepreneurs working in today’s complex healthcare space and
- A Northeastern inventor who has created cutting-edge technology related to the amelioration of diabetes

The panel will focus on issues arising from the current business and legal climate surrounding healthcare innovation. Our discussion will touch on health law, intellectual property and entrepreneurship in today’s modern healthcare landscape.

The panel participants are:

- Scott Bluni Esq., Bingham McCutchen LLP
- Lin Hymel Esq., McLane, Graf, Raulers on, & Middleton, PC
- Heather A. Clark, PhD., Department of Pharmaceutical Science, Bouvé College, Northeastern University
