

Mehmet Nurullah Ateş

Erciyes University - Department of Chemistry

Kayseri-Turkey

Email: kimya_nurullah@hotmail.com

mnurullahates@gmail.com

EDUCATION

- 2009- B.S. in Chemistry- GPA: 3,16 / 4 (2005-2009)
Erciyes University
Kayseri-Turkey
- 2011-Present M.S. in Chemistry & Chemical Biology Department
Northeastern University
Boston, MA

AWARDS RECEIVED

- 2009- 1. Project- Research-Development (R&D) Support Project Competition
Middle Anatolian Development Union-2009
Kayseri Governorship-Turkey
(Mehmet Nurullah ATES, Halil Sahan, Saban Patat)
Project Title :
“The Production and Performance Enhancement of LiMn₂O₄ Compound which is used as Cathode Active Material in Rechargeable Li-ion Batteries That Are Not Produced in Turkey”
- 2009- 1. Project- VIII. What Shall We Produce? Project Competition 2009 İzmir
Institute of Technology- İzmir-Turkey
(Mehmet Nurullah ATES, Halil Sahan, Saban Patat)
Project Title; “Alternative Cathode Active Material Production for Li-ion Battery”

GRANTS

1-) Scholarship for M.S. and Ph.D. in the USA from the Turkish Ministry of Education-2009

INTERNATIONAL PRESENTATION

1-) Effect of Multiple Cation Substituting on Electrochemical Performance of Spinel LiMn₂O₄ Cathode Material, 8. International Electrochemistry Meeting in Turkey, Antalya, October 8-11, 2009. (p. 220- in Abstract Book)

2-) Improved of cathode performance of LiFePO₄/C composite using tartaric acid and ascorbic acid as carbon sources for lithium-ion batteries, 8. International Electrochemistry Meeting in Turkey, Antalya, October 8-11, 2009. (p. 217- in Abstract Book)

3-) Effect of the CaCO₃ coating on the electrochemical properties of LiMn₂O₄ as a cathode material for lithium battery applications, 8. International Electrochemistry Meeting in Turkey, Antalya, October 8-11, 2009. (P. 42- in Abstract Book)

4-) Enhancement of Electrochemical Performance of Spinel LiMn₂O₄ Cathode Material for lithium-ion batteries, 8. International Electrochemistry Meeting in Turkey, Antalya, October 8-11, 2009. (p. 223- in Abstract Book)

PARTICIPATED CONGRESS & SYMPOSIUM

1-) World Energy Council-Turkish National Committee, III. Youth and Energy Workshop, May-19-2010, Ankara- Turkey

2-) 8. International Electrochemistry Meeting in Turkey, Antalya, October 8-11, 2009

3-) II. National Inorganic Chemistry Congress, Elazığ, Turkey, May 16-19, 2009

4-) XXI. National Chemistry Congress, Malatya, Turkey, August 23-27, 2007

5-) XX. National Chemistry Congress, Kayseri, Turkey, September 01-08, 2006

EXTRA

1-) The Academy of Politics- Democracy, International Relationships and Economy, Arranged by Justice and Development Party- 2010, Ankara
