- N.U.in staff meets the group upon arrival and provides transfers from Thessaloniki Airport to housing facilities.

OUTBOUND TRAVEL
- Transportation to connect to the group flight(s) is not included (see section on "Domestic Connections").
- Please plan to check in for your international flight a minimum of 3-4 hours prior to scheduled departure and as instructed by the N.U.in Program staff.

DOMESTIC CONNECTIONS
- If you wish to have Advantage Travel provide a quote for flights to connect to the group flights, please use the space provided on the reservation form. Suggested itineraries and pricing will be emailed to you for your review and approval.

  If you are booking domestic connections on your own, please do not confirm non-refundable type tickets until you have received email confirmation of your international flights. Additionally, please allow ample time to claim and re-check your luggage.

RETURN FLIGHT INFORMATION
- Students who do not wish to return on the group flight(s) may select independent travel arrangements (see section on "Modifications").
- Airline tickets cannot be issued with an “open” return. The airline ticket must show a return itinerary and travel dates.
- Airline ticket is valid for 6 months from the date of purchase. Return travel must be completed by March 11, 2017.

MODIFICATIONS
- Your ability to make changes to the itinerary is limited. Please read the information below and consider your plans carefully before purchasing the airline ticket.
- A limited number of modifications are permitted per group. Modification requests will be processed on a first-come, first-served basis.
- Itinerary modification requests must be submitted in writing. To minimize fees, they should be submitted with the original reservation request. If a modification is requested after the reservation form has been submitted, the request should be submitted by email. Changes cannot be made with the airline directly.
- Any costs incurred due to ticket modifications are the responsibility of the traveler. They are not covered by program fees.

PRIOR TO TICKET ISSUANCE
- Fees apply for all modifications.
- If you do not wish to return on the group flight, you may request an independent return ($100 deviation fee plus fare difference).

AFTER TICKET ISSUANCE
- Fees apply for all modifications.
- One return date change is permitted for the following fees and conditions:
  - Date change made 30 days or more prior to the original return date and new return date: $375 plus any fare difference.
  - Date change made 29 days or less prior to the original return date and new return date: $450 plus any fare difference.
- Only one change is permitted at the fare levels shown above. Subsequent changes will result in additional fees.
- Routing changes (i.e. adding or deleting stops, changing the cities you fly out of or into) are not permitted, even for a fee.
- Return travel is valid on Lufthansa on the originally ticketed itinerary only. Should you wish to alter your routing after your airline ticket has been issued, you will forfeit the entire value of your return ticket and will have to purchase a one-way ticket for onward travel.
- Once airline tickets are issued, the itinerary must be flown in sequential order. Failure to use any portion of your ticket invalidates the entire ticket and the document loses all value.

IMPORTANT INFORMATION ABOUT AVAILABILITY....In order to book or change any flights, seats must be available in a specific inventory, which is limited and is not guaranteed; a fare difference may apply. Please be flexible with your dates and make changes early for best availability and to avoid disappointment.

SUBMITTING A RESERVATION REQUEST FORM
- Reservation request forms are due on or before June 22nd.
- Reservation requests may be mailed, faxed, scanned and emailed or submitted online. Phone orders are not accepted.
- Airline documents are issued based on the information you provide on the reservation request form. N.U.in and/or Advantage Travel are not responsible for any fees incurred due to incorrect or incomplete information, so please be as accurate as possible when completing the reservation form.
PROCESSING YOUR RESERVATION / FLIGHT CONFIRMATION

• Group flight requests are honored on a first-come, first-served basis.
• If you are booking the round trip group flights online you may request an immediate email confirmation. If you plan to fax or scan
  and email the form, our agents will process your reservation request and email you the confirmation.
• If you have requested a quote for itinerary modification(s) or connecting flights, you will receive the flight options by email after our
  agents have checked rates and availability. These requests are processed manually, so please allow a few days for our agents to
  research the options and send you pricing and itinerary choices.
• Please review our emails carefully and notify us of any discrepancies so that unnecessary fees and penalties can be avoided.
  • Your first and last name must match your passport exactly. (Middle names generally do not appear on airline tickets.)
  • Alternate arrangements will be offered if the dates/flights you request are not available. Therefore, it is also important that you
    review your itinerary for accuracy.

• Should your group flight application form be received after seats on the group flight are sold out, Advantage Travel will do
  everything possible to get you on the same flight as the group, although a fare difference may apply.
• Most group flight participants will not see a seat assignment on the flight confirmation. Typically, the airlines reserve a block of
  seats for the group and allocate individual seat numbers at the airport on the day of departure.

DOCUMENT DELIVERY

• Your airline ticket will be issued electronically. The e-ticket confirmation/itinerary is typically sent to the email addresses you provide
  on the reservation request form 10-21 days prior to departure.
• Unless you request otherwise, your e-ticket will be issued round trip and the same confirmation and/or e-ticket number will apply to
  your return, so please do not delete this information after you reach your destination.
• If you have NOT received your airline documents within 7 days of departure, please call Advantage Travel at 800-788-1980.

Note: Group tickets do not have bar codes that can be scanned. You will use your confirmation number for airline check in.

PAYMENT

• The cost of the round trip group flight is billed to N.U.in. Payment for any optional items is due by June 22nd. We accept
  MasterCard, VISA, Certified Checks and Money Orders. Personal checks are accepted as long as they are received on or before
  the form due date. A $40 fee applies to all returned checks.
• Any luggage fees imposed by the airlines are additional and are at your own expense. Please refer to the “Baggage” section in this
  document.

CANCELLATIONS

• Although this is an included program and the cost of the basic group flight is billed to N.U.in, you are still financially liable for
  penalties due to cancellation or withdrawal. If you sign up for the group flight and later withdraw, please notify Advantage Travel
  immediately to limit financial loss.
• There are no refunds for cancellations once the reservation form has been processed
• There are no refunds for unused flight segments.
• Once airline tickets are issued, the itinerary must be flown in sequential order. Failure to check-in on time and/or use any portion of
  your ticket invalidates the entire ticket and the document loses all value.

BAGGAGE

• The airlines have very strict policies with regards to luggage, which are subject to change without notice. They have the right to
  charge for and/or refuse overweight, oversized or additional luggage. In order to be prepared on the day of departure, all travelers
  must reconfirm luggage allowances and restrictions directly with the airlines. If you are departing from Boston or San Francisco,
  you may phone Lufthansa at 800-645-3880 or find information on the Lufthansa Airlines website (follow economy class travel
  rules). If you are departing from Newark, you may phone Austrian at 800-843-0002 or find information on the Austrian Airlines
  website (follow economy class travel rules). Baggage policy is determined at the time of ticket issuance and not when payment is
  received.
• For current information on what can and cannot be brought onto an aircraft, please refer to the TSA website.
• The inclusion of other airlines in your flight itinerary (e.g. adding a connection from your home town) may change the rules that you
  need to follow. In order to be prepared on the day of departure, it is our recommendation that you check the luggage rules of all
  airlines in the itinerary and follow the most restrictive rules.
• If all of your flights are on a single ticket, you can expect to through-check luggage to your final destination. If you have multiple
  tickets, you should expect to claim and recheck your luggage at connecting points (please allow adequate time between
  flights).
• Federal law forbids the carriage of certain hazardous materials, such as aerosols, fireworks, and flammable liquids, aboard the
  aircraft. If you do not understand these restrictions, contact your airline or go to the FAA website.

ENTRY REQUIREMENTS

• All U.S. citizens traveling abroad must possess valid travel documents, which includes a passport and, possibly, a visa. Different
  situations require different documents. You do not need to be in possession of these documents to make flight reservations,
  however, it is your responsibility to make sure that you have the proper documentation prior to travel.
• Most countries require that passports be valid for a certain length of time beyond your intended stay. Please make sure that you
  are aware of the restrictions of the country or countries you are visiting.
• Any costs associated with the failure to have proper travel documentation (including but not limited to the loss of the entire ticket
  cost) is solely the responsibility of the traveler. You can familiarize yourself with the specific document requirements for the
  country(s) you are visiting by contacting the U.S. Department of State (www.travel.state.gov) or by contacting your N.U.in
  program coordinator.
TSA “SECURE FLIGHT” DATA
Advantage Travel must collect date of birth, gender and full name from all travelers in order to satisfy federal requirements mandated by the Transportation Security Administration (TSA). Advantage Travel cannot accept or process any reservation requests, without this information. The TSA’s privacy policy, as well as additional details can be found at www.tsa.gov using the keywords, “Secure Flight”.

AIRPORT SECURITY
New security measures may result in additional searches and questions at the airport. Customers may be asked to turn on personal electronic or battery powered devices in order to demonstrate how they work. If, when requested, you are unable to turn your device on, you will not be able to travel with your device and/or be denied boarding. To help avoid delays to your journey please ensure you arrive at the airport with all your devices fully charged. Passengers can choose to place any uncharged or not working devices into their hold luggage at time of check in.

SPECIAL SEAT ASSIGNMENTS
Since the airlines control pre-assigned seating, Advantage Travel cannot guarantee specific seats. If you have special seating needs due to a physical condition, please contact Advantage Travel prior to purchasing your ticket to determine if your needs can be accommodated.

SPECIAL MEALS
Most standard meal requests (i.e. vegetarian, kosher, low-fat, lactose free, etc.) can be honored on long-haul flights if they are requested at least 72 hours prior to departure.
Allergen-free meals and/or an allergen-free environment are not available on all services. If your allergy is severe, it is strongly recommended that you carry appropriate medicine in the event of a reaction. You must notify the airlines prior to travel if you have an allergy that could result in death.

MEDICAL CONCERNS
Air travel, in particular over long distances, exposes passengers to a number of factors that may have an effect on their health and well-being. Passengers with health concerns should consult their doctor and the airline prior to committing to travel.

DISINSECTION
Disinsection is permitted under international law in order to protect public health, agriculture and the environment. Some countries require insecticide spraying of aircraft. Federal law requires that we refer you to the DOT’s disinsection website for information on what countries require disinsection and how insecticides are introduced to the aircraft in those countries.

TRAVEL INTERRUPTIONS
Unfortunately, travel interruptions (schedule changes, weather, strikes, equipment malfunction, etc.) do occur and may cause disruption to your itinerary. Be prepared! Travel with extra money, cell phones and cell phone charger, clothes, and any necessary medication, etc. Advantage Travel is not responsible or liable for interruptions caused by the airlines, acts of God or others.
