Any luggage fees* imposed by the airlines are additional and are at your own expense. Please refer to the “Baggage” section in this document and visit the applicable airline websites (Aer Lingus for the Boston departure, Delta Airlines JFK departure). Baggage policy is determined at the time airline tickets are issued; not when the reservation form is received.

GROUP FLIGHT FEATURES
- Option to purchase domestic connections to Boston or JFK
- Airport assistance provided at Boston and JFK airports on the day of departure by N.U.in staff or Advantage Travel staff
- Monitoring of group flights by Advantage Travel personnel
- N.U.in staff meets the group upon arrival and provides transfers from the Dublin airport to housing facilities

OUTBOUND TRAVEL
- Transportation to connect to the group flight(s) is not included (see section on “Domestic Connections”).
- Please plan to check in for your international flight a minimum of 3-4 hours prior to scheduled departure and as instructed by The N.U.in Program staff.
DOMESTIC CONNECTIONS

- If you wish to have Advantage Travel provide a quote for flights to connect to the group flights, please use the space provided on the reservation request form. Suggested itineraries and pricing will be emailed to you for your review and approval.
- If you are booking domestic connections on your own, please do not confirm non-refundable type tickets until you have received email confirmation of your international flights. Additionally, please allow adequate time to claim and re-check your luggage flights.
- Students who need to make connections to get to/from the east coast for the group flight departures are advised to review the group flight times on the 1st page of this document and consider which group flights will work best on both the outbound and return. Routing changes are not permitted after airline tickets are issued, so you will not be able to switch from one return city to another later on.

RETURN FLIGHT INFORMATION

- Students who do not wish to return on the group flight(s) may request an independent return (see section on Modifications”.
- Airline tickets cannot be issued with an “open” return. The airline ticket must show a return itinerary and travel dates.
- Airline ticket is valid for one year from the date of purchase. Return travel must be completed by September 2, 2017.

MODIFICATIONS

- Your ability to make changes to the itinerary is limited. Please read the information below and consider your plans carefully before purchasing the airline ticket.
- Students must travel together on the outbound flight(s).
- A limited number of modifications are permitted per group. Modification requests will be processed on a first-come, first-served basis.
- Itinerary modification requests must be submitted in writing. To minimize fees, they should be submitted with the original reservation request.
- Changes cannot be made with the airline directly.

PRIOR TO TICKET ISSUANCE

- Fees apply for all modifications.
- If you do not wish to return on the group flight, you may request an independent return from Dublin ($100 deviation fee plus any applicable fare difference applies). Travel is valid from Dublin only, on Aer Lingus only.

AFTER TICKET ISSUANCE

- Fees apply for all modifications.
- One return date change is permitted for the following fees and conditions:
  - Date change made 30 days or more prior to the original return date and new return date: $375 plus any fare difference.
  - Date change made less than 30 days prior to the original return date and new return date: $450 plus any fare difference.
- Only one change is permitted at the fare levels shown above. Subsequent changes will result in additional fees.
- Routing changes (i.e. adding or deleting stops, changing the cities you fly out of or into) are not permitted, even for a fee.
- Return travel is valid on the originally ticketed itinerary only. Code share flights are not permitted. Should you wish to alter your routing after your airline ticket has been issued, you will forfeit the entire value of your return ticket and will have to purchase a one-way ticket for onward travel.
- Once airline tickets are issued, the itinerary must be flown in sequential order. Failure to use any portion of your ticket invalidates the entire ticket and the document loses all value.

IMPORTANT INFORMATION ABOUT AVAILABILITY

In order to book or change any flights, seats must be available in a specific inventory, which is limited and is not guaranteed; a fare difference may apply. Please be flexible with your dates and make changes early for best availability and to avoid disappointment.

SUBMITTING A RESERVATION REQUEST FORM

- Reservation request forms are due on or before May 20th.
- Reservation requests may be mailed, faxed, scanned and emailed or submitted online. Phone orders are not accepted.
- Airline documents are issued based on the information you provide on the reservation request form. N.U.in and/or Advantage Travel are not responsible for any fees incurred due to incorrect or incomplete information, so please be as accurate as possible when completing the reservation form.

PROCESSING YOUR RESERVATION / FLIGHT CONFIRMATION

- Group flight requests are honored on a first-come, first-served basis.
- If you are booking the round trip group flights online you may request an immediate email confirmation. If you plan to fax or scan and email the form, our agents will process your reservation request and email you the confirmation.
- If you are requesting a deviation (flights from/to a different city, travel on an alternate date, connecting flights, etc.) you will receive the flight options by email after our agents have checked rates and availability. Requests for deviations are processed manually, so please allow a few days for our agents to research the options and send you pricing and itinerary choices.
- Please review our emails carefully and notify us of any discrepancies so that unnecessary fees and penalties can be avoided.
  - **Your first and last name must match your passport exactly.** (Middle names generally do not appear on airline tickets.)
  - Alternate arrangements will be offered if the dates/flights you request are not available. Therefore, it is also important that you review your itinerary for accuracy.
- Should your group flight application form be received after seats on the group flight are sold out, Advantage Travel will do everything possible to get you on the same flight as the group, although a fare difference may apply.
- Most group flight participants will not see a seat assignment on the flight confirmation. Typically, the airlines reserve a block of seats for the group and allocate individual seat numbers at the airport on the day of departure.
DOCUMENT DELIVERY
- Your airline ticket will be issued electronically. The e-ticket confirmation/itinerary is typically sent to the email addresses you provide on the reservation request form 10-21 days prior to departure.
- Unless you request otherwise, your e-ticket will be issued round trip and the same confirmation and/or e-ticket number will apply to your return, so please do not delete this information after you reach your destination.
- If you have NOT received your airline documents within 7 days of departure, please call Advantage Travel at 800-788-1980.
  Note: Group tickets do not have bar codes that can be scanned. You will use your confirmation number for airline check in.

PAYMENT
- The cost of the round trip group flight is billed to N.U.in. Payment for any optional items is due no later than May 20th. We accept MasterCard, VISA, Certified Checks and Money Orders. Personal checks are accepted as long as they are received on or before the form due date.
- Any luggage fees imposed by the airlines are additional and are at your own expense. Please refer to the “Baggage” section in this document.

CANCELLATIONS
- Although this is an included program and the cost of the basic group flight is billed to N.U.in, you are still financially liable for penalties due to cancellation or withdrawal. If you sign up for the group flight and later withdraw, please notify Advantage Travel immediately to limit financial loss.
- There are no refunds for cancellations once the reservation form has been processed.
- There are no refunds for unused flight segments.
- The value of fully unused tickets cannot be applied towards future travel.
- Once airline tickets are issued, the itinerary must be flown in sequential order. Failure to check-in on time and/or use any portion of your ticket invalidates the entire ticket and the document loses all value.

BAGGAGE
- The airlines have very strict policies with regards to luggage, which are subject to change without notice. They have the right to charge for and/or refuse overweight, oversized or additional luggage. In order to be prepared on the day of departure, all travelers must reconfirm luggage allowances and restrictions directly with the airlines.

BOSTON DEPARTURE/RETURN
AER LINGUS 1-888-474-7424  Aer Lingus Website  (follow the low fare, long haul rules)

JFK DEPARTURE/RETURN
DELTA AIRLINES 1-800-241-4141  Delta Airlines Website  (follow the rules for Main Cabin)

- Baggage policy is determined at the time of ticket issuance and not when payment is received.
- For current information on what can and cannot be brought onto an aircraft, please refer to the TSA website.
- The inclusion of other airlines in your flight itinerary (e.g. adding a connection from your home town) may change the rules that you need to follow. In order to be prepared on the day of departure, it is our recommendation that you check the baggage rules of all airlines in the itinerary and follow the most restrictive rules.
- If all of your flights are on a single ticket, you can expect to through-check luggage to your final destination. If you have multiple tickets, you should expect to claim and recheck your luggage at connecting points (please allow adequate time between flights).
- Federal law forbids the carriage of certain hazardous materials, such as aerosols, fireworks, and flammable liquids, aboard the aircraft. If you do not understand these restrictions, contact your airline or go to the FAA website.

ENTRY REQUIREMENTS
- All U.S. citizens traveling abroad must possess valid travel documents, which includes a passport and, possibly, a visa. Different situations require different documents. You do not need to be in possession of these documents to make flight reservations, however, it is your responsibility to make sure that you have the proper documentation prior to travel. Any costs associated with the failure to have proper travel documentation (including but not limited to the loss of the entire ticket cost) is solely the responsibility of the traveler. You can familiarize yourself with the specific document requirements for the country(s) you are visiting by contacting the U.S. Department of State (www.travel.state.gov) or by contacting your N.U.in Program Coordinator.

TSA “SECURE FLIGHT” DATA
- Advantage Travel must collect date of birth, gender and full name from all travelers in order to satisfy federal requirements mandated by the Transportation Security Administration (TSA). Advantage Travel cannot accept or process any reservation requests, without this information. The TSA’s privacy policy, as well as additional details can be found at www.tsa.gov using the keywords, “Secure Flight”.

SPECIAL SEAT ASSIGNMENTS
- Since the airlines control pre-assigned seating, Advantage Travel cannot guarantee specific seats. If you have special seating needs due to a physical condition, please contact Advantage Travel prior to purchasing your ticket to determine if your needs can be accommodated.
SPECIAL MEALS
: Most standard meal requests (i.e. vegetarian, kosher, low-fat, lactose free, etc.) can be honored on long-haul flights if they are requested at least 72 hours prior to departure.
: Allergen-free meals and/or an allergen-free environment are not available on all services. If your allergy is severe, it is strongly recommended that you carry appropriate medicine in the event of a reaction. You must notify the airlines prior to travel if you have an allergy that could result in death.

MEDICAL CONCERNS
: Air travel, in particular over long distances, exposes passengers to a number of factors that may have an effect on their health and well-being. Passengers with health concerns should consult their doctor and the airline prior to committing to travel.

DISINSECTION
: Disinsection is permitted under international law in order to protect public health, agriculture and the environment. Some countries require insecticide spraying of aircraft. Federal law requires that we refer you to the DOT’s disinsection website for information on what countries require disinsection and how insecticides are introduced to the aircraft in those countries.

TRAVEL INTERRUPTIONS
: Unfortunately, travel interruptions (schedule changes, weather, strikes, equipment malfunction, etc.) do occur and may cause disruption to your itinerary. Be prepared! Travel with extra money, cell phones and cell phone charger, clothes, and any necessary medication, etc. Advantage Travel is not responsible or liable for interruptions caused by the airlines, acts of God or others.
