I-20 Request Instructions for D’Amore-Mckim Graduate School of Professional Accounting

What is an I-20?
An I-20 is a U.S. immigration document issued by Northeastern University to certify that an international student has met admission requirements for a full-time program of study and has provided proof of sufficient financial resources for their studies. An I-20 is required to apply for an F-1 student visa at a U.S. Embassy or Consulate. Students who have been admitted to Northeastern University under the following circumstances should request an I-20:

- New international students coming from outside the U.S. seeking visa sponsorship
- Students currently in F-1 status studying at another U.S. institution
- Current Northeastern students in F-1 status moving to a new degree program at Northeastern University
- Students currently in the U.S. in a nonimmigrant status (e.g. H-4, F-2, etc.) who want to change to F-1 status*

* If you are not planning to change to F-1 status, please note that not all immigration status categories allow for studying, internships, co-ops, international travel associated with an academic program and/or other experiential learning opportunities. Please note that some academic programs at Northeastern have experiential learning requirements (e.g., co-op or study abroad). Immigration statuses other than F/J may not allow for those and as such may impede the successful completion of your program of study.

When can I request an I-20?
You can submit an I-20 Request only after you have been admitted. At that time, you will be able to submit an electronic I-20 Request through myOGS.

How can I prepare for, access, and submit the online I-20 Request Form?

1. Gather the following required documents in an electronic format (e.g. PDF or JPG):
   - Identity page of your passport
   - Financial documents meeting your program’s expenses (Estimated Expenses and Guidelines for Demonstrating Financial Support are on the next page)
   - Students currently in F-1 status at another U.S. institution must also submit a Transfer-in Verification Form.
   - Students currently in the U.S. in a nonimmigrant status other than F-1 who are applying to change to F-1 status must also submit documentation of their current visa status.
   - **Currency Conversion**: If the financial documents you are submitting are not in U.S. Dollars, you will need to provide a currency conversion and upload it to the e-form. You can find a currency conversion calculator here: oanda.com/currency/converter.
