Northeastern University Mission Statement

• To educate students for a life of fulfillment and accomplishment
• To create and translate knowledge to meet global and societal needs
Transitioning to Boston after The N.U.in Program

• Three full-time transition managers
  – Kate Berge: Ireland UCD, Ireland FIE@DBS and Canada
  – Alex Ries: Australia and England
  – Anna White: Greece

• What we’ve already done
• What’s coming up
Transition Tips for Student Success

Encourage your student to:

– Get to know his/her RA and floor mates
– Ask for help right away if struggling with academics
– Find a club/organization/sport to get involved with
– Explore Boston in Winter! Best way to beat the winter blues!
Transition Tips for Parents

- Be patient with the process
- Encourage students to self-advocate
- Remember to help students focus on positive aspects of the transition
The Office of Parent & Family Programs

• To act as a University liaison in communicating institutional policies, procedures, and systems as they relate to parents and family members.
• To develop and coordinate programs and events that promote parent and family involvement in the Northeastern community.
• To provide advocacy for students and their families during their transition into the institution and throughout the student’s tenure with the University.
