**Weekly Meeting**

There will be a weekly PROTECT meeting on the following days:
- Mondays 1 – 2 pm ET: Management, Webinars and Town meetings
- TBA: Environmental Data Meeting
- TBA: Human Subjects Data Meeting

The table below provides details about the weeks that all participants (faculty, staff, and students) are expected to attend. The weeks not specifically called out below are Executive Committee (project/core leader) meetings (except for holidays and other conflicting events).

*Webinars are presentations broadcast using web-conferencing (with a live audience at the host institution if the presenter is on site.) Speakers will include national and international experts in fields related to PROTECT research or PROTECT participants who present major research findings.*

**Town Meetings:** will be held monthly using web conferencing. All program participants will be required to attend the meeting. The meeting will cover the progress of the project/core activities and will include sharing PowerPoint presentations. The meeting moderator will prepare slides.

**Other PROTECT Meetings**

In addition to the weekly meeting there are several other meetings at which attendance is expected for some or all participants.
