

Metrics of Success

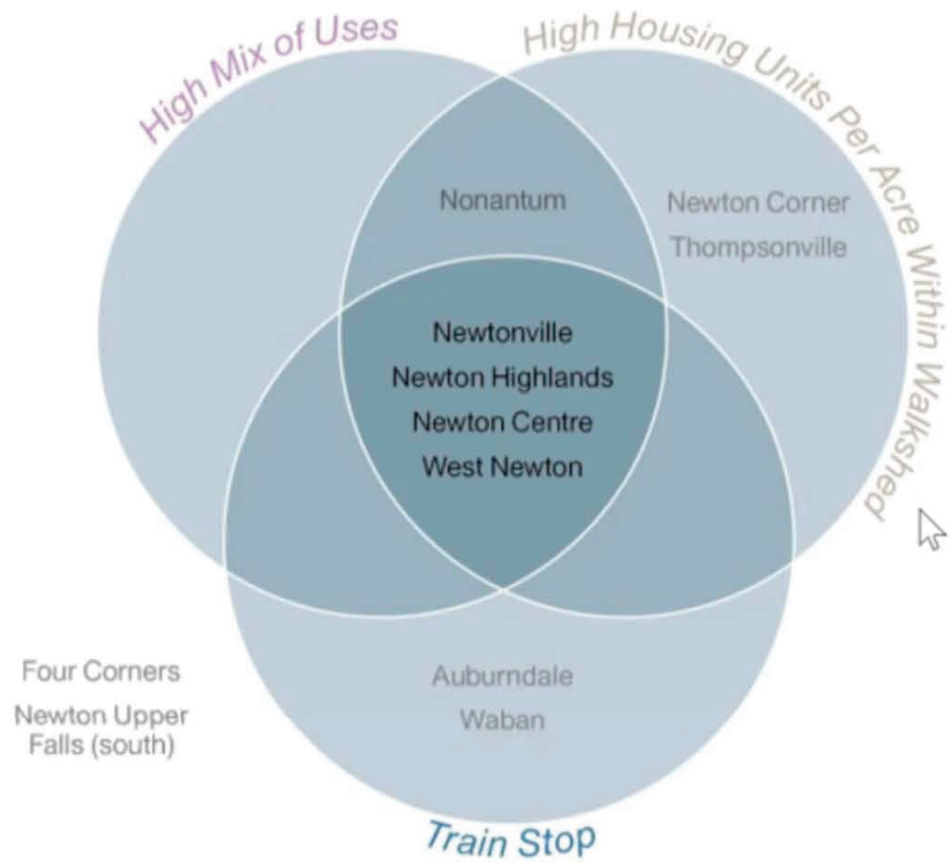

NOTE:

"High Mix of Uses" means no one sector (Civic, Professional Office, Retail, Food & Culture) in the Village Center comprises more than 50% of the total uses.

"High Housing Units Per Acre Within Walkshed" means Villages with 3.0 or more housing units per acre within a 10 minute walking distance of the center. The number is considered "high" as compared to the other eleven Village Centers in Newton.

"Train Stop" means Villages with a commuter rail stop or T stop.
