

Information for Entering Students

NEW STUDENT ORIENTATION

It is mandatory for all undergraduate students entering the University to participate in a two-day orientation program (one day for transfer students). Students beginning in September will participate in the summer. Those starting in January will receive orientation information prior to the beginning of the semester. Students will meet their classmates and learn their way around campus and Boston. They'll also prepare for the start of the academic year by exploring their college and major, meeting with an academic advisor, learning more about co-op, and experiencing what makes Northeastern unique. They also register for classes and get their student ID. Registration information will be posted on the Admitted Student Portal for those who have paid their tuition deposit. Contact the Office of New Student Orientation and Programs toll-free at 800.696.6516 or visit www.northeastern.edu/orientation for more information.
