

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

The University encourages students who seek an accommodation for a documented disability or disabilities that are substantially limiting, including “invisible” disabilities such as chronic diseases or learning disabilities, to register with the Disability Resource Center (DRC, 20 Dodge Hall, 617.373.2675, www.access-disability-deaf.neu.edu/). Students should register as soon as possible upon arriving on campus. The information provided will be kept confidential except that relevant faculty and staff will be informed if they are expected to provide accommodations. The University is committed to providing reasonable accommodations for students with documented disabilities that are substantially limiting. When services are approved, the DRC will provide the student with a letter of introduction to faculty, which indicates the service(s)/accommodation(s) for which the student has been approved. To initiate the recognition that service(s)/accommodation(s) have been approved and are being provided, students are encouraged to furnish a copy of the letter of introduction to their instructor(s) before the start of classes and no later than the second week of the term.
