Internal Deadline Reminder

• RA has moved away from requiring the 5 Day Written Waiver to an Assumption of Risk approach.

• If RA receives the streamline application (abstract, budget, budget justification) received after RA’s internal deadline (3 business days prior to agency deadline with final application by noon the business day prior to agency deadline), GO will submit proposal, however:
  • Time constraints may limit ability to fully review and RA cannot guarantee an error-free submission.
  • If, upon full review, there are institutional commitments/agreements (cost sharing, credit splits) that cannot be honored, application is subject to administrative withdrawal/adjustment.
CITI Clarification

CITI is currently used for Responsible Conduct of Research training and Financial Conflict of Interest (FCOI) training.

Required training to obtain approval of Human Subjects Protocol:
From the NU HSRP site, follow link to NIH Training Site -

- https://phrp.nihtraining.com/users/login.php

Use the NIH training regardless of funding source, including unfunded

Human Subject Research Protection

Human Subject Protection Training

Required Training for Researchers

Under the direction of the Office of the Vice Provost for Research, Northeastern University requires completion of training on the protection of human subjects and the ethical principles of research for all human subject research, regardless of whether or not investigators have received funding to support their project. This training is mandatory for all faculty, staff, and students who conduct/supervise research involving human subjects whether on campus or off-campus, whether funded or unfunded.

Documentation of training must be on file with the Office of Human Subject Research Protection. HSRP will accept documentation of human subject protection training from other institutions. If you have not yet completed some type of human subject protection training, the NIH Office of Extramural Research offers a free online course titled "Protecting Human Research Participants," which can be accessed at the following url:

Once you have completed the online training course, please forward a copy of your training certificate to Nan Regina, Director of HSRP at email: n.regina@neu.edu, fax: 617.373.4596, or campus: 490 RP. The certificate can be sent as a screen shot, pdf, via fax or in hard copy.
