Access to the Silicon Valley Campus

Northeastern University – Silicon Valley shares space with Integrated Device Technology (IDT) at 6024 Silver Creek Valley Road, San Jose, CA 95138. All Northeastern University – Silicon Valley classes are held at this location and address.

The main parking lot is located between Piercy Road and Fontanoso Way. Coming from the common 101-South highway, the parking lot is just beyond the Piercy Road light. Signs for both Northeastern University – Silicon Valley and IDT are visible entrance markers at the main parking lot. Visitors may park in any spaces within the areas marked “Visitors Only” area. Badge holders (i.e. students, faculty and staff) must park at the conjoining parking lot to the right of the visitor’s parking lot. There is a clear sign that provides the walking directions from the main parking lot to the campus.

Campus is marked with a plaque with the logo of Northeastern University – Silicon Valley. The entrance into the campus is a set of double doors marked by San Jose campus signage. The doors are typically locked for badge access. A doorbell is present to the right side of the doors, which will alert the receptionist to open the door. Students, faculty and staff must use their assigned badges to access the door. In situations where the door is left unanswered after ringing the doorbell, visitors can enter the IDT lobby and notify the receptionist of the purpose of their visit. The receptionist will buzz all Northeastern students and visitors into campus through the IDT’s main entrance.
There is 24/7 campus security, with video monitoring and on-ground patrolling. The San Jose campus is compliant with Northeastern standards for security after undergoing a comprehensive on-ground evaluation by the Northeastern University Police Department (NUPD). The San Jose Police Department (SJPD) will observe and report any disturbances or occurrences within a mile radius of the San Jose and IDT campus. Any reports involving Northeastern students or visitors will be delivered to the main NUPD Detective contact.

**Student, Faculty and Staff Access Procedure**

Students, faculty, and staff members are equipped with unique access badges. Use the access badge to gain entrance into the campus. Application forms for an access badge will be provided to students prior to their program start date and to faculty and staff members prior to their arrival. All access badges are monitored by the IDT security team.

Please contact the front desk immediately if you cannot locate your access badge. In the case that the Silicon Valley campus staff is not available and you need to reach the IDT security team, please call 408.284.8200 and identify yourself as Northeastern student.

**Campus Guests Procedure**

Guests of students, faculty, and staff members must sign in at the front desk.

1. You must accompany your guest(s) at all times.
2. If you exit the campus, your guest(s) must exit the campus with you. Your guest(s) should never be on campus without you present.
3. You are held accountable for your guest(s) while they are on campus, including within the vicinity of the IDT buildings. That means, your guest(s) must also adhere to campus policies like maintaining visual upkeep.

**Transportation**

Within the Silicon Valley, our campus is located in the city of San Jose. San Jose is easily accessible from several major freeways, including Highway 101 (US 101), Interstate 280 (I-280), Interstate 680 (I-680), and Interstate 880 (I-880).

The [Mineta San Jose International Airport](https://www.faa.gov) (airport code: SJC) is the primary airport in the Silicon Valley and the closest to our campus, with both domestic and international flights. Located approximately 13 miles from Northeastern University—Silicon Valley, various public transportation systems, taxis, and ride share serve the airport. Visit [SJC Ground Transportation](https://www.sjsu.edu) website for more information.

The largest airport in the Bay Area region is the [San Francisco International Airport](https://www.faa.gov) (airport code: SFO), serving more international flights than SJC. Located approximately 50 miles from our campus, we recommend the following steps to travel from SFO to San Jose.

1. Take the BART from the SFO BART Station to the Millbrae BART Station, which is located within the Millbrae Transit Center.
2. From the Millbrae Transit Center, take the Caltrain to the San Jose Diridon station, which is located in the heart of San Jose.
3. To arrive closest to the Silicon Valley campus, continue to take the Caltrain to the Blossom Hill station.*
   *Please note that the Blossom Hill station is only available for weekday commute-hour service between the San Jose Diridon station and the Gilroy station. Review the departure times for northbound and southbound trips [here](https://www.sjsu.edu).*
4. Request a rideshare (e.g. Lyft, Uber, etc.) for the remaining six miles to campus.

The Silicon Valley campus has a café on site open for breakfast and lunch. Additionally, there a few nearby restaurants a walk away and a bustling plaza of restaurants and shops a quick 5-minute drive away.

Final Thoughts

It is the goal of Northeastern University – Silicon Valley to serve our students well through positive and productive interactions, providing you with meaningful academic and professional support.

We welcome your input, feedback, and suggestions for how we can provide an outstanding educational experience for all students. A few times throughout the year, the Campus will send a brief 3-5 question survey through your student email. Your input is extremely valuable and helps the Campus ensure we continue to grow our resources and services to best fit your needs.

In addition, please always feel free to provide feedback to the Regional Dean & CEO or Assistant Director of Student Services. We look forward to collaborative, creative relationships with each of you.
