February Vacation

Elementary School

Name of Program	Computer Clubhouse
Description	The clubhouse allows members from Boston communities to work closely with adult mentors while they experience topics such as art, science, education, and technology.
Location	Museum of Science
Ages Served	10-12
Dates	Feb 21-23 (2-5:30 PM) Feb 24 (2-8 PM) Feb 25 (10AM-4PM)
Cost	FREE
Contact Information	Contact Roy Valesquez by email at rvelasquez@mos.org
Website	www.computerclubhouse.org/flagship
Additional Info	Space is limited to 15 students at a time.

Name of Program	iCamp
Description	Children complete applied-technology adventures that are customized to their skill level. Activities occur both on and off the computer with a focus on engineering and robotics, video game creation, animation, and graphic design. During the first activity at camp children select 3-6 projects that they will complete during their session from 10 theme-based adventures.
Location	Leventhal-Sidman Jewish Community Center, Newton-Needham
Ages Served	Grades 2-5
Dates	Feb 21-25
Cost	Prices vary from \$395-\$675
Contact Information	Contact by phone at 617-395-7527
Website	http://www.ctworkshop.com/CTWBM/CTW_BM/Web/Search/SearchResult2.aspx?countryID=2&stateID=14&cityID=114&courseID=6&LocID=490&StartDate=
Additional Info	A discount per registration is offered to families booking multiple sessions and/or multiple children from the same household. Full price is paid on the most expensive registration for the first session and the discount is applied to subsequent registrations. Multi-sessions are defined as sessions booked within the same season (ie. Spring, Summer, Winter) and booked at the same location. To receive discount, sessions must be booked at the same time.

Name of Program	Camp Evergreen
Description	Camp Evergreen is a dedicated toward making kids more familiar with their

	surroundings in mother nature. Activities include, but of course are not limited to, ice fishing, igloo building, snow shoeing, sledding, cross country skiing, ice skating, wild animal tracking, hikes, sugaring maple syrup. These activities are designed to inspire the more rustic science enthusiast.
Location	Andover, MA
Ages Served	Grades K-5
Dates	Feb 21-25
Cost	\$65 per day with a three day minimum or \$300 for five days.
Contact Information	Contact by phone at 978-475-2502 or by email at office@campevergreen.com
Website	http://www.campevergreen.com/vacationcamp.html

Summer Vacation

Elementary School

Name of Program	iD Tech Camp
Description	They offer week-long Tech Camps and intensive multi-week Teen Academies, specializing in the study of Film, Gaming, Programming, Robotics, Graphic & Web Design and more.
Location	Multiple locations nationwide including but not limited to Bentley, MIT and Harvard, and Merrimack.
Ages Served	7-12
Dates	Multiple dates depending on which program. Check website for more info.
Cost	\$700-\$1500 weekly, limited tuition assistance available depending on need.
Contact Information	Contact by phone at 1-888-709-TECH or by email at info@internalDrive.com
Website	http://www.internaldrive.com/courses-programs/
Additional Info	

Name of Program	Science Camps for Girls
Description	These unique overnight camps provide girls an opportunity to explore science, technology and engineering while executing fun science experiments on an actual college campus. Students select a Science Major, allowing the girls to choose an area of focus for their morning classes. Each major will include several small labs and a significant culminating project. This year, girls will choose from: Astronomy, Marine Science, Robotics, and Engineering.
Location	MIT
Ages Served	Grades 4-9
Dates	August 1-5
Cost	Vary between \$895-\$1000 weekly
Contact Information	Contact by phone at 510-548-6612
Website	http://www.educationunlimited.com/camp/category/2/sally-ride-science-camp.html
Additional Info	

Name of Program	Harbor Discoveries Camp
Description	An interactive marine and environmental science program that incorporates traditional camp activities. Programs include behind-the-scenes activities in

	Aquarium galleries, excursions to Boston Harbor Islands, daily field trips to North and South Shore habitats, and an overnight experience.
Location	New England Aquarium
Ages Served	“Junior Program” Entering Grades 4-5
Dates	Weekdays July 5 through August 26, 2011
Cost	\$600-\$725 per week. Limited need-based scholarships are sometimes available through the Education Department for City of Boston, Somerville and Chelsea residents. Boston residents may qualify for scholarships. For scholarship information, please e-mail hdeschenes@neaq.org or call (617) 973-0253 for details.

Name of Program	Boston University Upward Bound Program
Description	Students enter the program in either the 9th or 10th grade and remain with the program until their graduation from high school. Program services include an academically intensive six-week summer residential program and an afterschool program of tutoring and academic courses during the school year. Upward Bound services are located on the Boston University campus, which provides students with access to the University's resources. The program is free and, in addition, students are paid a small stipend for their participation.
Location	Boston University Campus
Ages Served	Students entering 9 th and 10 th grade
Dates	Year round- with a six week intensive summer session.
Cost	Free
Contact Information	Contact by email at ub@bu.edu .
Website	http://www.bu.edu/lernet/summer/index.html
Additional Info	

Name of Program	PROMYS (Program in Mathematics for Young Scientists)
Description	PROMYS is a six-week summer program at Boston University designed to encourage motivated high school students to explore the creative world of mathematics in a supportive community of peers, counselors, research mathematicians, and visiting scientists.
Location	Boston University Campus
Ages Served	High school students in grades 9 through 12, who will be 14 years old by

	July 3, may apply.
Dates	July 3 rd - August 13 th
Cost	The cost for 2011 participants will be announced in January 2011. The cost for last summer was \$2,700 for instruction and room and board. Books may cost an additional \$100. Need-based financial aid is available. PROMYS is dedicated to the principle that no student will be unable to attend because of financial need.
Contact Information	Applications for PROMYS 2011 will be available in January
Website	http://www.promys.org/
Additional Info	

Name of Program	STEM Program at MIT
Description	During the summer, STEM offers a five-week Summer Institute on MIT's campus for students entering sixth, seventh, eighth or ninth grade. Taught by MIT undergraduates, the Summer Institute courses combine lectures, projects and experiments to support learning. Participants learn college-level material, get to play a racquet sport, take field trips to places like the Museum of Science and meet some very interesting people.
Location	MIT University
Ages Served	Entering 6 th , 7 th , 8 th , or 9 th grade students
Dates	Wednesday, June 29th - STEM 2011 Orientation Tuesday, July 5th - First Day of STEM 2011 Summer Program Friday, August 5th - Last Day of STEM 2011 Summer Program Saturday, August 6th - STEM Final Presentations Breakfast, lunch, and daily tutoring are provided free of charge.
Cost	Free
Contact Information	Contact Erin by phone at 617-253-8051, or by email at stem@mit.edu .
Website	http://web.mit.edu/stem/STEM_Home.html

Name of Program	The John F. Kennedy
Description	The <i>Profile in Courage Essay Contest</i> invites high school students to consider the concept of political courage by writing an essay on a U.S. official who has chosen to do what is right, rather than what is expedient. A " <i>Profile in Courage</i> " essay is a carefully researched recounting of a story: the story of how an elected official risked his or her career to take a stand based on moral principles.
Location	See below
Ages Served	The contest is open to United States high school students in grades nine

	through twelve attending public, private, parochial, or home schools; U.S. students under the age of twenty enrolled in a high school correspondence/GED program in any of the fifty states, the District of Columbia, or the U.S. territories; and U.S. citizens attending schools overseas.
Dates	Essay submissions for the 2011 contest will be accepted starting September 1, 2010. The contest deadline is Saturday, January 8, 2011.
Cost	Free
Contact Information	
Website	http://www.facebook.com/pages/John-F-Kennedy-Profile-in-Courage-Essay-Contest/368548716012
Additional Info	Please mail essays to: John F. Kennedy Library Foundation Profile in Courage Essay Contest Columbia Point Boston, MA 02125

Name of Program	Research Internship in Science and Engineering at BU
Description	This six-week honors program for rising high school seniors provides full immersion in the laboratory environment. Under the guidance of a Boston University research mentor, students work on a new or ongoing research project forty hours a week for six weeks.
Location	Boston University
Ages Served	Rising high school seniors
Dates	Programs starts on July 4, 2011
Cost	Tuition and fees vary depending on the program and can be found on the website.
Contact Information	Contact by email at buhssumr@bu.edu or by phone at 617-353-1378
Website	http://www.bu.edu/summer/high-school-programs/research-internship/
Additional Info	Students pursue research in the following subject areas: astronomy, biology, chemistry, engineering, medicine, physics, or psychology.

Name of Program	Harbor Discoveries Camp
Description	An interactive marine and environmental science program that incorporates traditional camp activities. Programs include behind-the-scenes activities in Aquarium galleries, excursions to Boston Harbor Islands, daily field trips to North and South Shore habitats, and an

	overnight experience.
Location	New England Aquarium
Ages Served	"Advanced Program" Grades 8-9
Dates	Weekdays July 5 through August 26, 2011

Ongoing Programs

Elementary School

Middle School

Name of Program	MIT Spring HSSP
Description	An in-depth look of a variety of both academic and nonacademic subjects. Students
Location	MIT
Ages Served	Grades 7 and 8
Dates	Classes start February 19 and end April 16
Cost	\$30, financial aid is available for need-based students.

Contact Information	Contact by email at hssp@mit.edu
Website	http://esp.mit.edu/learn/HSSP/details.html
Additional Info	There are two types of classes - classes with application questions, and classes without. Students should remember to fill out their application questions while applying for classes. Since we can't promise that all students will get in to application question classes, students may choose their top 3 classes for each timeslot
