Northeastern University Scholars Program
Overnight Program and Event

University Scholar Contract

The goal of the University Scholar Program Overnight Program and Event is to engage you in a quintessential Northeastern and University Honors student experience. Each component has been carefully designed and attendance is mandatory for you unless otherwise informed by a staff member.

In addition, you are expected to remain on campus throughout the scheduled program. You are required to stay with your host or a staff member at all times.

As a participant in this program, you are required to abide by Northeastern’s Code of Student Conduct.

Northeastern University reserves the right to impose sanctions, up to and including separation from the University, for failure to abide by these regulations.
