

Standardized Testing

Below is the list of exams which Northeastern will consider for all freshman and transfer applicants who choose to apply with standardized testing for the 2021-2022 academic year.

Global examinations include exams which are taken in many different countries around the world, and which are most frequently submitted to Northeastern. National examinations are regional or specific to one country. Each exam listed below is considered equally, however, in the admissions process. If you live in a country without an approved national exam, and you are unable to take one of the other exams listed below, you can choose to apply test-optional. If you would like the Admissions Committee to consider another exam which is not listed below, you can send your request to admissions@northeastern.edu.

Global Examinations

| Curriculum | Examination |
|----------------------------------|---|
| American Patterned | ACT (College Code 1880) |
| | AP Exams (CEEB Code 3667) |
