ANNUAL DINNER PLANNED

ANNUAL DINNER

The Annual Civil Engineering Alumni Dinner is being held Tuesday, March 29, 1988 in the Ell Student Center Ballroom. Social Hour with a cash bar will begin at 6 p.m., with dinner being served at 7 p.m.

The 1987-1988 Outstanding Civil Engineering Alumnus/a Award will be presented that evening as well as two Outstanding Civil Engineering Student Achievement Awards, presented annually to outstanding seniors.

Watch your mail for further information!

There is still time for you to nominate someone you feel is worthy of being awarded the Civil Engineering Outstanding Alumnus/a Award for 1987/88. The criteria for selection for the award are: contributions to the engineering profession, the community, and to the University. The selection committee urges that all nomination information be as complete as possible, and sent to:

Alumni Relations Office
125 Richards Hall
Northeastern University
360 Huntington Avenue
Boston, MA 02115

Boston. The topics to be discussed are:
- Peer Review and Peer Review Training
- Human Resources Workshop
- Loss Prevention.

To commemorate the 50th Anniversary of geotechnical engineering practice, Dr. Ralph B. Peck will deliver a special lecture describing significant events contributing to the profession's evolution, occurrences which fostered its growth, and actions the practitioner must take to meet the challenges of the future.

In addition, ASFE founding members Hare Aldrich, (Haley & Aldrich) and John Gnaedinger or Clyde Baker (STS Consultants) will present legacy lectures describing the history of high-rise building foundations in Boston and Chicago. An open invitation is extended to all area engineers and students to attend the Peck and Legacy lectures.

The ASFE is a national association of engineering firms practicing in the geosciences, representing approximately 80-90% of the geotechnical firms in the United States. The organization will be celebrating its 20th anniversary.

For further information, contact the ASFE Headquarters at (301) 565-2733.
NUCEAO MEETING HELD

An NUCEAO breakfast meeting was held on Thursday, November 19, 1987 at Henderson House to discuss a matter of considerable concern regarding the ASCE Student Chapter.

The serious shortfall of funds related to the 1986 Community Service Project of the Student Chapter was the subject of the meeting. The "Anticipated Expenses" of the project amount to $17,850.00; an "Itemized Financial Report" indicates that additional funding in the amount of $12,381.65 is required to complete the project.

The immediate need is estimated to approximate the sum of $11,400. After considerable discussion among the dozen participants at this meeting, the following actions were taken:

a. Motion approved for NUCEAO to guarantee the sum of $12,381.

b. Motion approved for NUCEAO to donate $2,000 to the Student Chapter.

Other matters discussed related to the following items:

a. Students can assist the fencing sub to minimize the labor costs.

b. Donations may be forthcoming from the Marr Companies and the Boy's Club which could reduce the projected shortfall.

c. NUCEAO could offer to act as an advisory board to the Student Chapter, and thereby assist the chapter in their planning for future projects. This suggestion should result in projects being properly funded from day one.

d. It was also noted that the sum of $5,500 was appropriated by the Civil Engineering Department (which included $1,000 of NUCEAO funds). This prevented the additional funding required from equaling the total anticipated expenses sum of $17,850.00.
