WeWork does not issue day cards or temporary cards if forgotten.

Cards should never be shared or swapped as each one is linked to the specific cardholder through official ID for security purposes.

Guests

Please reach out to a staff member to confirm the current guest procedure.

WeWork Amenities and Procedures

Meeting Rooms

WeWork conference rooms operate on an internal credit system, which is shared by all members under Northeastern University’s business account. Credit overages result in additional fees. Members should always review the number of remaining booking credits in advance of making a reservation. If the account is nearing its limit or Northeastern staff anticipates the need for more credits to conduct business, pre-approval from an operations staff member will be required to book a room.

Students should use all available/shared areas in the building prior to booking meeting rooms.

Lounge Areas

WeWork lounges and kitchens are available for you to use any time. All members are expected to clean up after themselves and help keep these areas tidy for others. Refrigerators are typically
cleaned out at 2:00 pm on Fridays. Leave a note on any items that you want kept over the weekend.

Classroom Space
Classrooms are typically available for student use for up to 30 minutes before the start of a class session. When a room is not available (e.g., special events, meetings, maintenance, etc.), signage will be posted.

Businesses that are interested in hosting or collaborating on an event using one or more classrooms should contact staff at least 24 weeks in advance of the event date.

Pet Policy
WeWork maintains its own pet policy, unaffiliated with Northeastern University. If a member is within any Northeastern space at WeWork, that member is subject to Northeastern policy regarding pets. Persons with documented disabilities who are requesting to bring a service dog or other support animal must contact and submit appropriate documentation to the Disability Resource Center prior to the animal being on site.

General Facilities Information

Support
Facilities-related requests may be sent to San Francisco operations staff. Staff will submit a ticket on your behalf, follow up on the request, and ensure adequate support from the building.

If you cannot reach a staff member and the issue is immediate, submit a ticket via “support” on the WeWork App or Member site (members.wework.com).

Security
Video cameras are used onsite throughout the WeWork building. Security teams will only review video footage when necessary.

- **Lost and Found:** Members and visitors should safeguard their personal belongings while on site. Northeastern is not responsible for lost items, however, items may still be reported to a staff member and WeWork staff in case they have been recovered.

- **General Safety Guidelines:** If you notice anything or anyone suspicious, first and foremost, please report it to a Northeastern staff and faculty member immediately. If you are unable to reach them, contact a WeWork staff member on the 11th floor.

- **Alcohol Consumption and Security:** Keycards are always linked to a personal ID that verifies date of birth. No one under the legal drinking age of 21 is permitted to
obtain/consume alcohol. Offenders will be subject to WeWork policy, local law enforcement, and the Northeastern University Police Department.

Video and Photography
Members who wish to record video or photograph in WeWork’s open spaces must have approval by WeWork staff in advance. For further information, please reach out to a staff member on the 11th floor or submit a support ticket with information on your media project.

In the event of a fire, in a high-rise building, traditional building evacuation is replaced with relocation to a safe place within the building. Unless otherwise notified during announcements, you should walk to the nearest stairwell exit and relocate four floors below your current location.

In the event of an earthquake remain in your room if possible and take cover under desks, tables, or strong doorways until the shaking stops. Keep away from windows and other glass, shelves, and high-stacked materials. Follow the directions of the floor wardens.

In the event of an act of violence remain calm, dial “911”, and wait for further instructions. Tenants may be instructed to shelter in place or evacuate.
