

# Program budgeting worksheet

The Building Safety for Everyone program budget is adaptable, and largely dependent on the Program Manager’s capacity to provide rewards to worker, as well as the type of reward selected, the worksite size, and the number of workers present during an evaluation cycle.

Program Element		Estimated Item Cost	Number of Workers On-site	Total Cost
<b>Reward</b>	Social recognition			
	“High Value” reward			
<b>Visibility</b>	Performance tracking poster			
	Hardhat stickers			
	Program flyers			
	Program banner			
	T-shirts			
	Foremen Certificates			
<b>Total Program Cost:</b>
