Guidelines for the Intramural Team Managers and Captains

Administrative Duties

- Register your team online on IMLeagues, and submit your team's \$20 forfeit bond.
- Ensure all members of your team are invited/confirmed on your team's IMLeagues roster.
- Complete the online tests for your sport on IMLeagues (and ensure your teammates have done the same). These tests must be completed prior to either a team being confirmed into the league or a player being confirmed onto a roster.
- Managers that register a team but that fail to complete the manager's meeting and/or pay the \$20 forfeit bond without informing the intramural program of their intent to drop their team before the conclusion of registration may be, at the discretion of the Intramural Director, banned from acting as an intramural manager or registering a team in future semesters.
- Managers are responsible for signing the score sheet following each game to verify the score, the winning team and all other relevant information from the game.
- Check schedules regularly for updates/changes in game times. All schedules are posted on IMLeagues. Occasionally, schedules may change due to various reasons, including but not limited to the following: facility availability changes, weather cancelling outdoor athletic practices, teams forfeiting out and not being replaced, etc.
- Managers must inform the Intramural Sports office of any potential conflicts with playoff dates and times before the finalized brackets are posted. Reschedule requests will not be accepted afterwards.
- Be responsible for thoroughly understanding the rules of the sport you are participating in and informing your team members of the Intramural Rules and Policies.
- Ensure that enough eligible participants are at the game 15 minutes prior to the beginning of a scheduled contest. GAME TIME IS FORFEIT TIME!
- Ensure that all players have registered with the IM Staff by providing their valid NU Husky Card before the start of each game.

Sportsmanship Duties

- Educate your team members regarding the consequence of poor sportsmanship for both the individual and the team.
- Be responsible for the behavior of all your team's players and spectators.
- Be responsible for ensuring that all your team members understand and abide by all the Intramural Sports Policies as posted at www.campusrec.neu.edu.
- Be responsible for reading, understanding and informing your team members of the Intramural Code of Conduct.
- Inform any ejected players that they must promptly leave the facility in which the competition is being held, or risk forfeiture of the remainder of the game.
- Inform any ejected players of the procedural steps for reinstatement. This includes that the ejected participant will receive an email from the Intramural program regarding their suspension and how to get reinstated.
- Only the Team Manager or Captain is permitted to clarify calls with the IM Sports Officials or IM Sports Supervisors at the specific game sites.

Intramural Rules and Policies

Registration Procedure:

Rosters are managed by team captains via IMLeagues. Online registration will be available beginning the first day of each semester.

- a. Submit roster information for your team and availability using the registration form on IMLeagues. (Note: Team captains must check with their teammates about possible conflicts before signing up for a league. Captains may submit scheduling requests and conflicts, such as other intramural teams team members may be playing on, prior to the close of registration. The intramural staff will do their best to honor these requests- however, there are NO guarantees.)
- b. Teams will be put into leagues on a first come, first served basis. Submit your registration early to have the best chance to play. All rosters must be submitted by the published deadline.
- c. Each participant will be required to complete a quiz prior to joining a team online at IMLeagues. The participant will be prompted to complete the quiz prior to joining. The participant must score 100% on the quiz to join the team. All questions will be drawn from the Intramural Sports Handbook and the rules for the sport the participant wishes to play.
- d. Teams scheduled into the league must have completed an online managers test and pay online the \$20 refundable forfeit bond by the designated deadline. Teams that do not pay or complete the managers test by the deadline will be replaced with a team from the wait list.
- e. If too many teams register for a league, a wait list will be formed. Wait listed teams will be contacted only if a spot opens up in a league.
- f. It is the responsibility of the team manager to submit an appropriate team name. Names that include inappropriate language or references will be removed. The Office of Campus Recreation reserves the right to change any name they deem as unsuitable. If a team name is not submitted, one will be assigned to the team.

Eligibility:

All students (including graduate and law students), both full-time and part-time, enrolled in class or on co-op and that have paid the Campus Recreation Fee are eligible to participate in the Intramural Sports Program except as follows:

- a. Participants may play on either one Competitive team or one Recreational team per season per sport. Additionally, participants can also be on a Co-Rec team. Participants cannot play in both the Recreational league and the Competitive league during the same season. A player declares a team preference by their first participation. Participants on a team that has forfeited/withdrawn from a league within the first two weeks of the regular season may join another team.
- b. Varsity athletes who have completed their athletic eligibility are eligible to participate in the sport(s) in which they played as a varsity athlete; however only one former varsity player is allowed per team and they must wait one full academic year in order to be eligible.
- c. Current varsity athletes, including transfers, redshirts, and anyone practicing or listed on a roster with a varsity team, may not participate in the related sport in which they are currently participating.
- d. Current club sport athletes may participate in the same or related sport in which they participate as a club sport member, but only three (3) players are allowed per team roster.
- e. Ejected players are suspended from all intramural activities until reinstated by the Intramural Sports Program Staff.
- f. Any team using a player who is ineligible shall forfeit all games in which a violation occurred. Two forfeits will result in a team being dropped from further competition.

Roster Additions:

To add players to a roster, team managers must use IMLeagues to either invite desired players or approve their requests to join. Unless otherwise noted, a team's maximum roster size will be 15 players for all sports.

In order to be reflected on the printed game roster, roster additions must be submitted by 5:00pm on the day of your scheduled game. For games on Saturday or Sunday, the roster addition must be made by 5:00pm on Friday. For additions completed after these deadlines, the captain must be able to show the Intramural Sports Supervisor a roster (via the IMLeagues app or website) showing the completed addition in order for the player in question to play.

Once the roster addition has been submitted, it is the Manager and Assistant Manager's responsibility to check the roster addition prior to your next scheduled contest. Rosters will be managed online on IMLeagues.

Protests:

It is the strong belief of the Office of Campus Recreation that contests should be won or lost on the field of play. The intramural staff will resolve all disputes immediately. Matters involving an official's judgment are not a basis for protest. Protests referring to or questioning an official's judgment call will never be granted. Intramural managers that abuse the protest system shall be penalized at the discretion of the Intramural Director.

The Office of Campus Recreation reserves the right to rule in any matters not covered in this handbook. We will apply the spirit of the rules and fairness in all situations.

The decision of an official or intramural staff member to eject a player or spectator for any unsportsmanlike conduct (be it verbal or physical) will be firmly upheld by the Office of Campus Recreation.

Steps to protesting a game:

1. All protests must be registered immediately with the Sport Supervisor on site. A valid protest must either concern player eligibility or a misapplication or misinterpretation of a sport rule. A protest based on the judgment of an Intramural Sports Official is invalid. An official Protest Form must be completed with the Intramural Sports Supervisor on duty for the protest to receive further consideration.
 - a. Player Eligibility Protests
 - Opponents must verbally make the Intramural Sports Staff (Official or Supervisor) and suspected ineligible player aware of an eligibility protest before the respective player enters and participates in the contest.
 - Opponents give up their right to protest any player after the suspected ineligible player participates against them.
 - b. Game Protests
 - Protests must be made during the contest at the time of the incident by the team captain to the game official and/or the sport supervisor before the next "live" ball.
 - At that time, the reason for the protest must be given to the game official.
 - Protests must involve a misinterpretation or misapplication of a playing rule.
 - The managers, the official(s) and any other staff present must sign the game scoresheet upholding or denying the protest. Unless this procedure is followed, the protest will not be considered. Every attempt will be made to rule on the protest immediately. In many cases, the protest can be settled on the field of play.

2. If you disagree with the on-site decision, you may appeal the decision with the Director of Intramurals. A protest is not complete until a typed version of the protest is submitted through the Campus Recreation website www.northeastern.edu/campusrec to the Intramural Director by 12:00pm (NOON) of the day after the game in question. Otherwise the protest will be disallowed. For weekend games, the deadline is 12:00pm (NOON) on Monday following the game.
3. If the protest is received by the deadline of 12:00pm (NOON), then the Office of Campus Recreation will review the protest. If necessary, the team captains or selected team representatives may deliver and discuss the written protest. Additional team members may be asked to appear by the Campus Recreation Staff.
4. Games altered by valid protests will be replayed, if possible, from the point of the game where the protest occurred. Due to facility space limitations, the Campus Recreation Office and both team captains may agree to a non-playing solution.

Playoff Protests:

Due to time constraints, protests during the playoffs will be decided by the Intramural Sports Supervisor on-duty. The decision of the Intramural Sports Supervisor is final and cannot be appealed.

Protest Appeals:

A written, typed appeal of a protest decision must be submitted within 48 hours of notification of the protest decision. The typed appeal must be submitted to the Director of Campus Recreation.

Reschedules:

Regular season games will not be rescheduled. If a team cannot play when they are scheduled, the manager must submit the online default form at least 24 hours before your game to have your game count as a default. Losing by default counts as a loss but does not incur any of the penalties of a forfeit. If a team forfeits out and there is no team on a wait-list, then it is possible that the schedule will change.

All playoff reschedule requests must be directed to the Intramural Office before the playoff schedule is posted. Playoff games may be rescheduled at the discretion of the Intramural Director based on the availability of facilities.

Playoffs:

A single elimination tournament will be held at the conclusion of the regular season. Team managers are responsible for verifying their playoff schedule at the end of the regular season by checking IMLeagues. Teams that qualify for the playoffs should be prepared to play on nights/times other than those played during the regular season. The playoff qualification and seeding process will be as follows (and may be changed based on facility space limitations):

- In case of a tie, a team with sportsmanship problems of any kind will be eliminated.
- If there is still a tie, a team that forfeited any game will be eliminated.
- If there is still a tie, a team that defaulted any game will be eliminated.
- If there is still a tie, head-to-head record will be used.
- If there is still a tie, point differential will be used. For most sports, a WBF forfeit will be counted as half the mercy rule.
- If there is still a tie, point differential averaged over games played (ignoring WBDs/WBFs) will be used.
- If there is still a tie, both teams will advance provided there is sufficient facility space to allow for the extra game. If not, the team that registered first will advance.

In the event of a tie between three or more teams, the above process will be applied. However, the head-to-head tiebreak will be skipped unless all tied teams have played all other tied teams.

Championship Awards:

Each participant of the championship team who played in the championship game is eligible for an award at the conclusion of the playoffs. Team members that did not participate in the championship game, for whatever reason, will not be eligible for an award.

Levels of Competition:

Teams are given the opportunity to choose one of the two levels of competition; competitive or recreational. Games at all levels will be conducted exactly the same way and preference will not be given to higher levels of play. Information will be offered during registration regarding the sponsored level and leagues for each semester.

Forfeits & Defaults:

GAME TIME IS FORFEIT TIME! Teams are strongly encouraged to arrive early for their games. Any game whose outcome is declared a forfeit will result in a loss being credited to the forfeiting team. A forfeit will be declared under the following conditions:

1. A team cannot field the required number of eligible players by the designated game time.
2. A violation of any rule as stated in the Intramural Sports Code of Conduct.

In the event of a forfeit, \$10.00 of the teams forfeit bond will be lost but the team will still be eligible for playoff competition. A second forfeit will result in the rest of the \$20 forfeit bond being lost and the team will be dropped from the league. Teams may default a game (indicate 24 hours in advance they will not be able to make a scheduled game) by completing the default form on the Campus Recreation website, www.northeastern.edu/campusrec. A defaulted game counts as a loss but does not impact a team's forfeit bond.

Any forfeit bonds not deducted from a team's account will be refunded automatically at the end of the semester. An email will be sent out to each person who has paid the forfeit bond confirming the amount to be refunded. Refunds will take two to three weeks to process at the end of the semester. Forfeit bonds DO NOT carry over from semester to semester. Issues regarding the refunding of forfeit fees must be raised within 3 months of the semesters conclusion.

Team Requirements and Equipment:

Balls, pucks and jerseys will always be provided by the Office of Campus Recreation. For further specific information please contact the Campus Recreation Office or click on the specific rules on the Campus Recreation website; www.northeastern.edu/campusrec.

Rule/Policy Changes:

The Office of Campus Recreation reserves the right to change and/or put into effect any new rules/policies without notice.

Assumption of Risk:

Students are advised that participation in the Intramural Sports Program involves physical risk. Participation in Intramural Sports is strictly voluntary. Injuries and their resulting cost are the responsibility of the participant. There is a possibility that a participant may be injured during the course of normal Intramural activities. This risk of injury extends to the physical being, as well as personal belongings that the individual may bring to the activity.

Blood on Uniforms:

There is a risk for blood borne infectious diseases to be transmitted from one player's wounds to another. Recognizing the concerns this risk creates for our Intramural participants, the Intramural Sports Staff has established the following policy:

When an official observes a player who is bleeding, has an open wound, or has an excessive amount of blood on his or her clothing, the official will temporarily stop the game in the same manner as the official would have temporarily stopped the game for an injured player, except that the bloody player must leave the game. A removed player is expected to receive appropriate treatment on the sidelines before returning to the game. The player involved shall not return to the contest until the bleeding has stopped, the open wound is covered, or an excessively bloody piece of clothing is changed and disposed of properly. An excessive amount of blood on a piece of clothing means the clothing is saturated so that the blood would transfer to another player or the blood could soak through to the skin. Once play has stopped under this rule, the player may not re-enter the game until the official declares the player eligible. This includes; running of the clock, one "play" run in flag football, a substitution opportunity in soccer, a volley in volleyball, etc.

Concussion Awareness:

The Intramural Sports Staff reserve the right to disallow a participant from participating in further intramural activity if concussion-like symptoms are disclosed or observed. Participants removed from play may be suspended from play until cleared by a physician.

Vandalism:

Deliberate destruction of University property and equipment, public property, or personal property of individuals will not be tolerated. All incidents will be reported to Northeastern University Office of Student Conduct and Conflict Resolution (O.S.C.C.R.) and N.U.P.D.

Offensive Apparel

It is the responsibility of each player to wear apparel that does not include any offensive words, pictures or references. The Office of Campus Recreation reserves the right to remove players from competition that wear apparel that is deemed unsuitable.

Alcohol and Drug Policy:

If any member of your team is suspected to be under the influence of drugs or alcohol by the supervisor or official on duty, the entire team will be penalized by the assessment of a game forfeit. The team manager must meet with the Intramural Director before the team can be considered for reinstatement. The player(s) involved will also need to meet with the Intramural Director to discuss their individual reinstatement. Reinstatement in these cases is not likely. The matter will also be referred to O.S.C.C.R. and N.U.P.D.

Husky Card ID Policy:

Participants must present their valid NU Husky Photo ID at all games. No one is allowed in any of the Campus Recreation Facilities without their Husky Card. No one will be allowed to play without their Husky Card. There are no exceptions to this rule. No ID, no play, no exceptions!

Assumed Name or Identity:

Any player using an assumed name or ID shall be referred to O.S.C.C.R. and barred from further Intramural competition for the remainder of the semester. The team involved will forfeit all of their games and be removed from further competition.

Coaches:

The intramural program does not recognize "coaches" as a legitimate part of an intramural team. Only students registered on an intramural team will be recognized as team members.

Intramural Staff

The Intramural Supervisor is the final authority during an intramural activity. The supervisor will be in charge of organizing the event, directing teams to proper fields and courts, and managing the contests so that good sportsmanship is practiced at all times.

Participants must realize that the game officials are the first source of ruling and information. The supervisors may only be consulted when interpretations or applications of the rules are in question. They will not overrule any judgment calls!

The supervisor may intervene to stop play at any time. Situations such as disorderly conduct, abusive language and fighting are potentially dangerous and can lead to a supervisor terminating the contest and assessing a forfeit to the team or removing a player from the event and asking him/her to leave the facility.

Harassment Policy

Northeastern University reaffirms that it does not condone harassment directed toward any person or group within its community--students, employees, or visitors. Every member of the University ought to refrain from actions that intimidate, humiliate or demean persons or groups, or that undermine their security or self-esteem.

The Office of Campus Recreation is in constant vigilance to ensure an environment that is free of abusive behavior directed toward an individual or group because of race, ethnicity, ancestry, national origin, religion, gender, sexual orientation, age, physical or mental disabilities, including learning disabilities, mental retardation, and past/present history of a mental disorder. Any harassment toward a Northeastern University employee or participant will subject the individual and/or team to university disciplinary procedures.

If you feel that you have been harassed, please register your complaint with the Office of Campus Recreation, 140 Marino Center. Your complaint will be forwarded to the Director of Campus Recreation and Director of Institutional Diversity and Inclusion.

Hazing Policy

Hazing in any way, shape, or form will not be tolerated by the Intramural Sports program or the Office of Campus Recreation.

"Any act committed against someone joining or becoming a member or maintaining membership in any organization that is humiliating, intimidating, or demeaning, or endangers the health and safety of the person. Hazing includes active or passive participation in such acts and occurs regardless of the willingness to participate in the activities! Hazing creates an environment/climate in which dignity and respect are absent."

If you feel that you have been hazed, please register your complaint with the Office of Campus Recreation, 140 Marino Center. Your complaint will be forwarded to the Director of Campus Recreation and Director of Institutional Diversity and Inclusion.

Banned Equipment and Jewelry Policies

The officials and supervisors on duty have the authority to disallow any participant from wearing any equipment, jewelry, or apparel which in their judgment is dangerous or disadvantageous to other participants. This is a rule for the safety of all participants, including the wearer of such apparel, and applies to any and all dangerous equipment and jewelry. There are no exceptions to these policies except as outlined below for religious jewelry and headgear.

Religious Jewelry and Headgear

If you wear religious jewelry or headgear you must follow our approval procedure below before you can participate in an Intramural Event:

1. Approval of Religious Apparel as Religious Jewelry/Headgear:

- a. A meeting must be set-up with the Director of the Center for Spirituality, Dialogue, and Service at least 5 business days prior to your first game, to discuss the Religious Jewelry/Headgear in question and gain approval of the Religious Jewelry/Headgear, as such.
- b. Once approved by the Director of the Center for Spirituality, Dialogue, and Service, an email/memo will be sent to the Intramural Staff and the Participant.

***Please note that just because the Religious Jewelry/Headgear has been approved by the Director of the Center for Spirituality, Dialogue, and Service does not mean that you have permission to wear it during an Intramural Event. ***

2. Approval of Religious Apparel for Intramural Play:

- a. A meeting must be set-up with the Assistant Director of Campus Recreation- Intramural Sports, after the Director of the Center for Spirituality, Dialogue, and Service has sent the email/memo and at least 3 business days prior to your first game, to discuss the safest way to secure the religious jewelry to the body.

***This may mean that one has to purchase a sweatband, headband, or athletic tape to secure the religious jewelry/headgear to the body. ***

- b. Once you have approval from BOTH the Director of the Center for Spirituality, Dialogue, and Service and the Assistant Director of Campus Recreation-Intramural Sports, an email/memo will go to the Intramural Staff, Team Manager, and Participant about the proper procedure for wearing the approved Religious Jewelry or Headgear.

Jewelry Policy

Jewelry is not allowed to be worn by any participant during an Intramural event. This includes any rings, watches, necklaces, earrings, bracelets, any unconcealed body piercing and any other such similar jewelry. Medical bracelets are permissible but must be secured to the body. No exceptions will be made for jewelry which is made to be permanent or that is unable to be removed. Taping over, or using a band-aid to cover restricted jewelry is not permitted as it may not secure the jewelry in question.

Shoe Policy:

All participants must wear proper shoes. A shoe shall be considered proper if it is made with either canvas or leather uppers or similar material. Street, turf shoes, cleats, and sandals are not allowed. The sole may be smooth or molded, non-marking, and non-abrasive. No metal, or shoes similar to metal sole and heel plates will be allowed. The supervisor has the authority to disallow any type of dangerous footwear.

Headgear Policy:

Headgear is not allowed to be worn by any participant during an Intramural event. For INDOOR sports this headgear consists of any hats, bandanas, baseball caps, winter/wool hats, and any other such similar headgear. This also applies to OUTDOOR sports with the following exceptions: in winter wool hats are allowed. The officials and supervisors on duty have the authority to disallow any participant from participating that they feel would endanger the person wearing the headgear or their opponents until it is removed.

Additional Safety Information:

NONE of the following are allowed to be worn by any participant during an Intramural event:

- Street pants (jeans, khakis, etc.)
- Bare feet
- Baseball Hats
- A guard, cast or brace made of hard and unyielding leather, plaster, pliable (soft) plastic, metal or any other hard substance - even if covered with soft padding - when worn on the elbow, hand, finger, wrist or forearm.
- Bandanas (Except a headband no wider than 2 inches and made of nonabrasive, unadorned, single-colored cloth, elastic, fiber, soft leather or rubber may be worn. Rubber/cloth (elastic) bands may be used to control hair.)

Players and teams that are found to be in violation of this policy, and thus endangering the safety of all the participants, will be penalized with an UNSPORTSMANLIKE PENALTY assessed to the violating player and their team. The player will be removed until the equipment or jewelry in question is removed.

Intramural Code of Conduct and Sportsmanship Policy

Intramural Code of Conduct:

The Office of Campus Recreation takes sportsmanship very seriously and offenders will be dealt with accordingly. Sportsmanship policies will be enforced strictly to ensure the safety and enjoyment of ALL participants, including our Student Intramural Staff. Actions that are dangerous and/or conduct that is detrimental to the Intramural Program will not be tolerated and are grounds for suspension from further participation in all Intramural Sports activities.

Sanctions:

365 Day Suspension	A suspension from all Intramural activities for a calendar year (365 days)
Semester(s) Suspension	A suspension from all Intramural activities for one or more semesters
Season Suspension	A suspension that removes a player for the remainder of a current season
Game Suspension	A suspension for one or more competitions that may carry other sanctions depending on the severity and seriousness of the incident(s).
Probation	A team or individual may be put on probation for any length of time. An individual or team need not be ejected to be put on probation. In such cases, employee reports may activate such a sanction. A team or player on probation will be removed from further competition if they incur further unsportsmanlike penalties or engage in any unsportsmanlike acts. Players returning from long suspensions or with a history of issues will be placed on probation once they potentially become reinstated.

NOTE: The Intramural Program has the jurisdiction to suspend or remove individuals and teams from participation in any and all Intramural Sports activities. The Intramural Program and the Office of Campus Recreation reserves the right to remove any player or team for involvement and/or further unsportsmanlike actions, and to refer participants to O.S.C.C.R. and make recommendations for their consideration.

Unsportsmanlike Behavior:

The Student Code of Conduct as stated in the Northeastern University Student Handbook, as well as the rules stated below, will govern all Intramural play:

1. Unsportsmanlike Conduct: Any person, who commits, attempts to commit, incites or aids others in committing any acts of misconduct shall be subject to disciplinary procedures by the Office of Campus Recreation.
2. Team managers are responsible for the conduct of their players/spectators and therefore are subject to the same disciplinary actions as their players.
3. The Assistant Director of Campus Recreation- Intramural Sports will be the final judge of what is unsportsmanlike.
4. Unsportsmanlike conduct includes, but is not limited to the following:
 - Fighting (pushing, punching, tripping, cheap shots, or any type of physical contact)
 - Using profane, inappropriate, insulting, or vulgar language or gestures - incidental or otherwise
 - Verbal or physical baiting or taunting an opponent, including "trash talking" in any manner

- Attempting to influence an Intramural Staff member's decision
 - Dissent towards an Intramural Official or Staff member's decision
 - Disrespectfully addressing Intramural Staff
 - Physical contact with Intramural Staff
 - Failure to follow the directions of any Intramural Staff member acting in performance of their duties
 - Physically damaging a facility, equipment, or other provided Intramural apparatus (example – hanging on the basketball rims)
 - Delay of game and/or tactical fouls
 - Engaging in any general unsportsmanlike act, especially those that show disregard for Intramural rules and policies (Unsportsmanlike conduct penalties)
 - Any attempt to strike an opponent or Intramural Sports Staff member
 - Aggressive action toward a participant or Intramural Sports Staff member
 - Actions that may lead to a fight
5. The following Recreation Center policies will also be considered in dealing with unsportsmanlike conduct:

Incidents reported to the administrative staff which indicate unsportsmanlike conduct include: failure to adhere to facility policies and procedures; failure to follow verbal instructions of a staff member; failure to provide personnel with proper identification upon request; unauthorized use of facilities; theft or damage to facilities or equipment; and physical or verbal abuse directed toward a staff member, spectator or participant. In doing so the individual(s) involved will be questioned and may be required to submit a written statement of the incident within seven days of the occurrence. Written statements from on-duty personnel and witnesses will also be obtained. At the conclusion of the internal investigation, the Intramural Director will rule on the incident. Penalties could include: temporary or permanent probation, suspension from the facilities for a specified period of time or permanent loss of access to recreational facility.

Ejections and Suspensions:

1. There is an automatic minimum of a one game suspension for all individual ejections. Players ejected twice in one semester will be suspended for the remainder of the term from all sports.
2. Players may be ejected for two unsportsmanlike penalties, one severe unsportsmanlike penalty, or be removed by an Intramural Staff member for a gross violation:
 - A player receiving 2 Unsportsmanlike Penalties (Examples: 2 yellow cards / 2 technical fouls / 2 Unsportsmanlike conducts (UCs) / 2 Major Penalties)
 - A player called for 1 Unsportsmanlike Penalty (Examples: Red Card / Flagrant Foul)
 - A player can be ejected at the discretion of an IM Sport Supervisor (Example: Taunting from a sideline / an attempt to injure another player)
3. Ejected players will be asked to leave the field of play and the facility. The ejected person must leave the playing area immediately and has 5 minutes to leave the facility. Any ejected person not adhering to this rule will cause their team's game to be forfeited and will be referred to O.S.C.C.R.. Further, NUPD will be summoned to remove the ejected participant if they refuse to leave. Reinstatement in these cases is unlikely.
4. Ejected participants will be contacted by email regarding their reinstatement meeting. All reinstatement meetings must be by appointment only. Reinstatement meetings will not be held on the same day that the player is ejected.
5. During a suspension, a game forfeited by the suspended player's team will not count as a game served for the suspension. The participant will still have to serve an additional game to fulfill their suspension.
6. Most suspensions will be served in the sport in which the offense occurred, but individuals can be suspended from all Intramural sports and events depending on the severity of their offense.

7. Ejections and suspensions for minor infractions – that do not involve abuse of IM staff members or violent conduct – may be tabled at the discretion of the Intramural Sports Director or designee. Tabled suspensions will be held as probation and will only be enforced if the ejected player has subsequent sportsmanship issues.
8. All ejected participants must complete an online educational webinar before being reinstated. The link to this required online section will be emailed to the ejected participant after a suspension meeting is held.
9. In cases occurring late in the sport season or the academic year, a suspension may carry over into the next sport, season, semester, or academic year.
10. Managers that are currently under suspension or who have failed to have an ejection meeting will be prohibited from registering an intramural team until they have resolved their sanction.
11. Any player who misses a scheduled disciplinary meeting without giving prior notice to the Intramural Sports office is subject to an additional 1 game suspension.

Violations of Intramural Code of Conduct

The following are possible consequences of unsportsmanlike conduct of intramural teams and participants.

Team Violations:

1. Forfeit due to misconduct - If a team, player, or a combination of the two receives 3 unsportsmanlike penalties (UCs, yellow cards, technical fouls, etc.) in one game the team will forfeit that game.
2. Intramural probation - Intramural probation places a team on a probationary status which would cause a suspension from intramural participation for any further unsportsmanlike conduct. The term of probation may be set for a particular sport, for a semester, for a year or forever.
3. Intramural Suspension - Suspension from Intramurals prohibits the suspended organization and its individuals listed on the team roster from participating and spectating in any sports during the period of intramural suspension. A period of Intramural suspension is automatically followed by a period of Intramural probation of not less than one full year.
4. Teams that are removed due to unsportsmanlike behavior will not receive refunds.
5. Team Disciplinary measures include but are not limited to the following:

Violation	Penalty
Team Disturbance/Fight (more than one player involved)	Team automatically removed from league and all participants who are present at the game will be suspended from all Intramural Sports activities for one year (365 days) from the date of the incident, and referral to O.S.C.C.R..
Verbal abuse of the Campus Recreation Staff	Team automatically removed from league and possible referral to O.S.C.C.R.. Individual sanctions will also be handed out.
Alcohol use/Intoxicated Players	Team automatically forfeits game in question and individuals will be referred to O.S.C.C.R.

Use of an ineligible player	Any team using a suspended player will forfeit all games in which the suspended player participated. Any team knowingly using such a player will be ineligible for playoffs.

The decision by the Intramural Program to refer individual(s)/team(s) to the O.S.C.C.R. may not be appealed.
