When completing the Graduation Application, keep the following in mind:

- The ceremony date refers to the only ceremony that you are eligible to participate. When completing the application, your response to “Attend Ceremony” relates to only this date.
- The “academic requirements” date refers to the last day of classes for each term and does not necessarily reflect particular academic requirement deadlines specified by your program. Consult with your academic advisor with any questions regarding related deadline information.
- The “submit application” date is specific only to the latest date you will have access to submit your application via [myNortheastern](#); other deadline dates may apply.
- Your graduation date is determined by the date you fulfill your academic requirements.
- The Apply to Graduate form is vital in providing your college/school, the Office of the Registrar and the Commencement Office with the critical information needed to serve you.
- Please read the instructions carefully as you fill out the Apply to Graduate form.
- You will not be able to go back into the application and update this information once you click submit; please ensure accuracy and carefully review the summary page before you click “Submit Request.”
  - After completing the application, you may choose the **View Application to Graduate** link to review your details and/or to update your diploma mailing address only.

Ceremony information and all related details and deadlines, guest information, and event schedule are available on the College of Professional Studies website at <https://cps.northeastern.edu/academic-resources/graduation>. Be sure to review and share the information with your guests. Additional information may also be provided by the college at a later date.
