studentsofcssh Advice to incoming students - “Push yourself. Every student at Northeastern has unlimited potential waiting to be tapped. No one knows what they are capable of until they push themselves out of their comfort zone and take risks. Say yes whenever opportunities are presented to you and watch yourself grow as a person. Seek out a professor to help with their research, join a new club, apply for that job. Northeastern has endless opportunities for all of its students, take advantage of them while you’re here!” (Julia, rising third year History major with English & International Affairs minors) #iamcssh #ExperientialLiberalArts #21stCenturyLiberalArts #Northeastern studentsofcssh @juliarosepumphrey
