

# Northeastern University TSCA Import Certification Form

Chemical substances being imported into the United States are required by the Toxic Substance Control Act to have an Import Certification Form upon arrival. This form should be filled out and presented to the Customs Agent before the package arrives in order to speed up the delivery process. A copy of this form needs to be kept on file in the laboratory and the Office of Environmental Health and Safety, room 170 Cullinane Hall.

The following certification can be made regarding this shipment (select one of the following two certifications).

I certify that all chemical substances in this shipment comply with all applicable rules or orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order under TSCA.

(Or)

I certify that all chemicals in this shipment are not subject to TSCA.  
(And, if applicable)

The attached list of chemical substances will be used for research purposes only.

This shipment contains the following chemical substances:

Chemical Name	CAS Number (if available)	Import Date
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
