How to designate a member of your lab as “Group Compliance Liaison” in BioRAFT

1. Log onto BioRAFT.
2. After you have logged on, on the left side of the page under your lab name, select “Manage Members”.
3. Once you are viewing your list of lab members, select edit next to the member you would like to designate as group compliance liaison (aka lab safety officer).

The group compliance liaison will be listed on the lab profile homepage.
