

COMMUNITY ORGANIZING **INDUSTRIAL SITES PANEL**

**Highly Fluorinated Compounds – Social
and Scientific Discovery
Northeastern University, Boston**

**Tracy Carluccio
Delaware Riverkeeper Network**

Public Meeting Paulsboro New Jersey

ACTION NEEDED NOW

- **Government (State level) action – SDW standards and groundwater criterion based on science, lifetime exposure and risk to most vulnerable populations**
- **Consistent public health and environmental policies**
- **Corporate/Government/Military Accountability**
- **Removal of PFCs from drinking water**
- **Elimination from our environment**
- **Health studies including blood sampling to ascertain exposure and disease**
