"Revolutionary Power" by Shalanda Baker Out Now!

Congratulations to SSEHRI affiliated faculty member Shalanda Baker, who's book, "Revolutionary Power, An Activist's Guide to the Energy Transition," was recently published by Island Press. Prof. Baker was also recently named the Deputy Director for Energy Justice in the DOE by the Biden Administration. During this time, she will be taking a hiatus from her roles at Northeastern University. We are excited to see all of the amazing things she will do!
