**HOUSING AND RESIDENTIAL LIFE COMMUNITY STANDARDS**

All students are responsible for adhering to the rules and regulations published in the Residence Hall and Dining License Agreement, Undergraduate Student Handbook, and this guide. If these policies are violated, students are subject to disciplinary action, which may include removal from University housing, separation from Northeastern, or referral for criminal prosecution.

Northeastern is a large urban institution with many working professionals and families living nearby. Students living alongside these citizens are expected to be ambassadors of the University and represent Northeastern in a mature and respectful manner. Northeastern takes its relationship with neighboring communities very seriously. Guidelines for student behavior are clearly outlined in the Undergraduate Student Handbook to ensure that student conduct does not adversely affect the educational mission of the University or its relationships with the surrounding community.

PROPERTY DAMAGE
You are responsible for the care of University and leased property in the rooms, facilities, lounges, public areas, and the campus in general. You will be billed for the repair work for any damage you cause. Resident students are responsible for the common areas of their residence hall and their own rooms, apartments, or suites. All residents of a facility may be held accountable to cover the cost of repairs to their building. Disciplinary action may also result. Any charges will be placed on your University account.

All Northeastern resident students are strongly encouraged to secure Renter’s Insurance. You should inquire if you can add an off-site “renter’s rider” to an already existing homeowner policy. For more information on approved vendors, visit www.northeastern.edu/housing/firstyear/vendors.html or contact Housing & Residential Life.

SALES AND SOLICITATIONS
Sales of material or solicitations of any kind are also prohibited without the express written permission of designated officials. Residence hall residents should request permission from the Director of Residential Life to sell within their housing unit. Recognized student organizations should request permission for sales from the Director of Student Involvement. All others should apply to the business manager of the University.

Such permission, when granted, is for designated areas within the University and is subject to the restrictions imposed by the approving officials. General solicitation, especially in such areas as classrooms, lounges, and cafeterias, is not permitted.

SMOKING
Smoking of any tobacco products is prohibited at Northeastern University, consistent with applicable law.

Northeastern University strives to provide a safe and healthy environment in which to teach, learn, research, live, and work. The University recognizes that smoking is a major cause of preventable disease, and accordingly in 2012 convened a committee to explore whether and how the University might implement a smoke-free campus policy. Having received the committee’s recommendation, after extensive input from the community, the University has concluded that a smoke-free campus is consistent with the University’s mission and purpose; will promote individual and community health; and will recognize employees’ right to work in a smoke-free workplace.

This policy applies to all persons, including all students, faculty, staff, volunteers, vendors and visitors, anywhere on University property and in buildings and facilities on all campuses, including parking lots, green

INTERSESSION COMMUNICATION
Intersession is the period between academic terms after exams have ended and before classes are in session. Important dates and times for intersession and spring break are updated each term and e-mailed to all students at their myNEU addresses one month before the break begins. Additional information regarding the intersession schedule is available from Housing and Residential Life staff and on our web site.

VACANCIES
If an empty space exists in a room, suite, or apartment, all students must ensure that a clear and clean living area is available for any new resident. The dresser, desk, bed, and closet space must be clean and available for use. Failure to clear this space will result in a substantial fee and is subject to disciplinary action.

ROOM CHANGE PROCESS
The official Room Change Period begins the third week of the term. See the RD in the third week of the semester to apply for a room change. The student will be required to schedule an appointment with the Housing staff. Detailed information is posted on www.northeastern.edu/housing. Assignments are made on a space available basis. Visit our web site or call Housing and Residential Life for more information.

E-MAIL COMMUNICATION TO STUDENTS
E-mail is the official form of communication for the University and for Housing and Residential Life. Students are expected to stay current in regard to your Husky e-mail address while on campus, abroad and away on co-op. All housing assignment information, important deadlines and reminders will be e-mailed. We will notify students if we plan to mail any information to a campus or permanent address.

UNIVERSITY SERVICES & POLICIES

CLERY ACT
Northeastern is committed to assisting all members of the University community in providing for their own safety and security. Information regarding campus security and personal safety, including topics such as crime prevention, University police law enforcement authority, crime reporting policies, crime statistics for the most recent three-year period, and disciplinary procedures, is available at Northeastern University Police Departments. Hard copies of the report are also available at our police headquarters at 716 Columbus Ave, 100 CP, at the Forsyth Street Circle substation, and at Renaissance Building substation across from International Village.
spaces, and pedestrian walkways.

You are not permitted to smoke within 30 feet of all residence halls.

**SPORTS ACTIVITIES**
Sport activities are not permitted inside residence halls and other common areas due to noise and potential property damage. Students participating in these activities indoors will be documented by hall staff. It is also not permitted around university property except for recreation areas designated for that purpose.

Specifically, NERF guns and/or foam guns are prohibited in the Residence Halls.

**ROOM ENTRY**
The Department of Housing and Residential Life conducts health and safety room inspections in the middle and at the end of each academic term. These visits enable staff to assess the condition of the room visually and take inventory. Additionally, Northeastern University staff members may enter the premises if the premises appear to have been abandoned by the Licensee or if it is believed that a University policy is violated. They may also enter the premises for any health or safety reasons or if the health and safety of residents are believed to be threatened. Finally, staff may also enter the premises if any damage needs to be assessed, maintenance concern or if otherwise permitted by law.

**ROOMMATE CONFLICT**
If at any time you are not comfortable living with someone either in your room or apartment, please contact your Residential Life staff to assist you in addressing the situation.

**VISITORS AND OVERNIGHT GUESTS**
A visitor or a guest is anyone who accompanies a resident but does not live in the living space. All visitors who do not reside in the building must be signed in by a resident.

*Guest Policies*
It is against policy to ask someone to sign you in that you do not know or who is not going to accompany you while visiting the community.

Residents are responsible for all signed-in guests and their actions.

- Guests must be escorted by the resident that signed them in at all times and hosts are expected to stay with their guests.
- Immediately report unescorted visitors to the Resident Assistant on duty or to a member of the residence hall staff in your building.

Residents who have guests without picture IDs must obtain a guest pass from the RD at least 24 hours prior to the visit, during normal business hours.

**SUMMER RESIDENCE**
Housing enrollment is reduced dramatically during the summer which necessitates closing some Residence Halls during those terms. Summer opened buildings are announced each year during the spring semester; check the housing website and posted information for details during late January/early February. Students interested in on campus housing during the summer terms should apply and submit the required deposit. Summer housing assignments are completed after the fall Housing Selection process.

The NUterm program requires on campus housing. First year students participating in NUterm will be provided an application, separate from the regular summer housing process.

**WITHDRAWALS**
All students who leave their residence hall assignment unplanned, prior to the end of the semester, must fill out a Withdrawal Form with a member of the residence hall staff. The Withdrawal Form must be completed in addition to the paperwork required for withdrawing from the University. Students who fail to withdraw from housing correctly may incur additional housing and dining charges. Also, students withdrawing from either housing or the University should pick up a change-of-address card from ResMail at Speare Commons, complete the card, and return it before leaving campus. Since procedures differ depending on whether you are withdrawing from housing only or from both housing and the University, see a hall staff representative for withdrawal procedures to make sure you complete all of the requirements. You must also complete a Withdrawal Form with hall staff.

**DAMAGE/CLEANING CHARGES**
The student is responsible for Northeastern University property in his/her room and elsewhere in the residence hall. Upon check-in and checkout, residents must complete a Room/Apartment/Suite Condition Form with hall staff. This form confirms the condition of the room/suite/apartment. Residents will be billed for damages that are beyond normal wear and tear. If a resident does not complete the check-out process with hall staff, s/he waives the right to appeal supplementary charges. If there is loss/damage to common areas of any campus housing facility and Northeastern University cannot identify the individual(s) responsible, the University may require several or all of the hall’s residents to pay a prorated group charge covering the cost of common area repair/replacement. Students will be billed for replacement of furniture and reinstallation costs in the case of vandalism. Additionally, students may also be referred to the Office of Student Conduct and Conflict Resolution for disciplinary action, which could include the loss of housing privileges.
move to your new assignment within 24 hours of the space becoming available. If you require an extension, you must get this approval from your RD in advance. If you fail to do so, you will have to return to campus to pack and move your belongings. You will also be assessed an administrative fee and face possible disciplinary action. Make sure to prepare your room for intersession. The room/apartment must be cleaned before departure. Unplug all electrical appliances, clean your refrigerator, remove all garbage, close and lock all windows, lock your door, and take your keys and your Husky ID card with you. Failure to follow these steps will result in an assessed charge on your bill. If you are unable to move into your new residence before leaving for intersession, you must remove your belongings from your current room prior to leaving for intersession, even if that means taking your belongings home with you. Failure to do so may result in a cleaning and packing fee and disciplinary action.

Check-Out Procedures
Living on campus is a privilege, not a right. Failure to enter or vacate in accordance with move-in and move-out dates published by the department will result in formal disciplinary action up to and including revocation of housing privileges. In addition, it will result in the initiation of removal proceedings, which may result in your loss of all campus housing privileges at Northeastern University.

Follow these guidelines when checking out of your residence hall or apartment:

- Clean your room before leaving. Apartment residents are reminded that refrigerators, stoves, and cabinets must also be cleaned. Students who leave without cleaning their rooms or apartments will be billed a cleaning fee.
- Make sure that the RA has inspected your room, apartment, or suite and that the Room Condition Form has been completed and signed.
- Turn in your keys to the staff member upon check-out. Students will be billed $15 for each key that is not returned plus $60 for the core.
- If your door is on the keyless system, you still must formally check out.
- If you have a private telephone, make arrangements with the telephone company to turn off service and remove the instrument before the end of the semester.
- If you live in a Leased Property and have cable service, make arrangements with the appropriate company to turn off services and return equipment.

- Complete a change-of-address card at ResMail, Speare Commons.

Overnight guests must be 16 years old or older and have a valid photo ID.
- Guests younger than age 16 may not stay overnight.

Students may have no more than three visitors signed in at any one time.
- The one exception is for apartment-style residences that can have up to five visitors signed in at any one time on Sunday through Wednesday from 7:00 AM - 11:00 PM.

Roommates must work out their own arrangements for having visitors. If you cannot agree, you may call upon a staff member to help resolve the problem.
- You must secure the permission of your roommate(s) prior to having an overnight guest in the living space.
- Staying overnight is defined as Sunday evening through Thursday 10:00 PM - 8:30 AM, Friday through Sunday 1:00 AM - 8:30 AM.
- A guest may stay in the building up to three consecutive nights in a week. Anyone staying on campus for a longer period is not considered a guest, and the host will face disciplinary action if the guest is discovered to be in permanent residence.

Students are prohibited from subleasing space.

Individuals who have been removed from or who are restricted from entering University housing are not granted overnight privileges.
- Residents who host these individuals are in violation of University policy and will be subject to disciplinary action.

Guest policy privileges may be revoked for safety, security, or student conduct reasons by an Residence Director or a member of the senior administrative staff in Housing and Residential Life or OSCCR.
- You are responsible for seeing that your guests follow regulations, and you are liable for any infractions or building damage done by your guest(s).
- Guests may not use or be in possession of a resident’s key or identification card.
  - Violations may result in cancelation of guest privileges and/or disciplinary action against the resident.

Visitation and sign-in procedures may be suspended when conditions such as power outages and severe weather threaten the operation of a building.
- If you are a student with a disability who requires the services of a personal care attendant (PCA), contact the Director of Residential Life.
- The Director of Residential Life or a designee will coordinate arrangements for the PCA to have access to the student’s residence hall.
your petition is granted, you may receive a billing adjustment to your account.

AUDIT SIGNATURES
During the first week of classes each term, Housing and Residential Life produces an occupancy report verifying that students have checked in to their assigned residence halls. The audit will be e-mailed to your Husky email address for you to complete electronically. If a student does not sign the audit on-line, a Resident Assistant (RA) or another Housing and Residential Life staff member will visit the room to verify that the student has checked in, and will require the student to sign an audit form. Failure to return to the residence hall within the first week, and/or to verify occupancy with the residence hall staff could result in key and lock changes and room changes.

END OF SEMESTER PROCEDURES
Before moving out
Before a student can move out of a current assignment, they must first meet with the staff in the building and complete the check-out process. If a student does not follow proper procedures in checking out of a room, they forfeit the right to appeal any supplemental charges for damages. Even if the student is not returning to campus the following term, they are responsible for cleaning the room or apartment thoroughly and disposing of all trash properly.

To forward mail, student’s need to obtain a change-of-address card at ResMail, 4 Speare Commons. When this card is completed, return it to ResMail before leaving campus.

Contact Husky Card Services, located in Speare Commons, if there needs to be a meal plan change.

If you are moving off campus next semester
If you are not assigned to live in the same space for the following semester, you must vacate your space by 7:00 PM on the day of your last final exam unless you have an approved extension from your RD. Contact your building staff prior to finals week to make arrangements to turn in your keys and to complete the check-out process in order to avoid administrative fees. For assistance and resources regarding moving off campus, visit Off Campus Student Services in 226 Curry Student Center or visit the web site at www.northeastern.edu/offcampus.

RESIDENCE LICENSE AGREEMENT
The Residence Hall and Dining License agreement must be signed online by all students who will be living in University-sponsored housing. Signing the Residence Hall and Dining License agreement indicates acknowledgement and acceptance of the terms set forth in this contract. All students must conduct themselves in a manner consistent with the University’s expectations. However, signing the agreement does not guarantee a space in university housing.

CANCELLATION OF LICENSE AGREEMENT
Students will be subject to immediate cancellation of their Residence Hall and Dining License Agreement if they engage, or threaten to engage, in behavior that poses a danger of physical harm to themselves and/or others. License agreements will also be canceled if students engage, or threaten to engage, in behaviors that directly or indirectly impede the lawful activities of others. These behaviors include, but are not limited to:

- Failing to honor conditions negotiated in a behavioral contract with Department of Housing and Residential Life staff
- Tampering with fire safety equipment
- Tampering with locks, keys, or security of the building
- Throwing objects out of residence hall windows
- Verbally or physically abusing staff members or students
- Being on rooftops, ledges and fire escapes

In addition to being removed from housing, students may be referred to the Office of Student Conduct and Conflict Resolution. For more information about cancellation of the license agreement or the Code of Student Conduct, please see the Undergraduate Student Handbook and Attachment A of the Residence Hall and Dining License Agreement.

BILLING AND ADJUSTMENTS
Students are billed at the beginning of each term and are obligated to pay the full charge for the term. It is the responsibility of each student to know for which terms they have submitted a housing deposit. Students are obligated to follow the cancellation schedule should they need to cancel their housing in writing prior to each term’s move-in date. Canceling past the published deadline for any term will result in an assessment of a cancellation charge of the room rate as well as forfeiture of the housing deposit. If your plans change and you need to move out earlier than expected, the cancelation-fee policy clause of this agreement is enforced. However, keep in mind that the license agreement also permits you to request an exception to any charge by Housing and Residential Life. In order to request this exception, you must complete a petition form. Petition forms are available online at http://www.northeastern.edu/housing/policies/petition.html. Your petition should include all important details, as well as any supporting documentation. If the request is granted, the student’s mattress must be inspected by a Northeastern-certified technician on move-in day prior to it being moved into the student’s room, apartment, or suite. Appropriate personnel will be available during the fall move-in days to accomplish this.

Lofted Beds and Furniture
Construction or deconstruction of lofts or raising beds or other furniture onto cinder blocks is not allowed in Northeastern residence halls.

ROOM VACANCY
In the event that you have a vacancy in your room/apartment, you are required to ensure that your personal belongings only occupy the space to which you are entitled (one bed, closet, dresser, portion of common areas, etc.). Students who do not adhere to this policy may lose housing privileges.

ROOM REPAIRS
If your room needs repairs, complete a Work Order Request Form, available through your MyNEU account. Follow the instructions listed on page 10 under Work Order Requests Online.

COMMON AREAS
Common-area furniture is for the enjoyment of all residents and must not be removed from the common space. Students who transport common-area furniture to student rooms or remove it from the building are subject to disciplinary action.

LAUNDRY FACILITIES
Most traditional residence halls and apartment complexes have washing machines and dryers. The University is not responsible for articles left unattended. Washing machines cannot be used to dye clothing. To resolve any problems regarding laundry, please contact Mac Gray directly at 1.800.MAC.GRAY.

Laundry Bucks
- Laundry Bucks is cash that has been placed on your Husky ID that you can use in the residence hall laundry rooms on campus.
- Any undergraduate, graduate or law student living in Northeastern University’s on-campus housing gets laundry bucks
- Students get $45 per semester, which equals 15 washes and 15 dries, or any combination.
- Use Laundry Bucks by the end of the fiscal year (June 30th) because they will not rollover.

PROCEDURES FOR RESIDENCE HALL LIVING

ELIGIBILITY
All full-time undergraduate and graduate/law students, matriculated in a degree granting program, are eligible to live on campus. Northeastern University requires that entering freshmen live on campus for their first two years; this is not applicable to transfer students. Beginning with the entering class during fall 2014, on campus housing can be guaranteed for students who complete the housing selection application each year. Upper class undergraduate students (3rd, 4th, 5th, and 6th) who entered prior to fall 2014 and all Graduate/Law students can participate in the housing selection process, but are not guaranteed. Participants in the Housing Selection process will be randomly assigned a selection lottery number or a waitlist number, which determines your status for the selection process.

ASSIGNMENTS
Housing Application information for the next academic year is distributed during the fall semester to all eligible undergraduate and graduate students. Carefully follow the application procedure described in the information provided; strict adherence to all due dates for applications and cancellations is required.

ENROLLMENT DEPOSIT/UPPER CLASS HOUSING DEPOSIT
In order to secure on campus housing admitted freshmen must complete the housing application through the Admitted Student Portal, and submit a nonrefundable enrollment deposit.

Upper-class students (3rd, 4th, 5th, and 6th) and Graduate/Law students who choose to participate in the Housing Selection process are required to follow application and deposit procedure and deadlines. Please reference the “Eligibility” section for further details on upper class Housing Selection.
Weapons for Sporting Purposes
A student who possesses any article for sporting purposes (bow and arrows, for example) should check with the Northeastern University Police to determine whether the article is among those prohibited by statute or University regulation.

The Director of Residential Life or his/her designee can authorize a search of a student room in certain situations involving the safety, security, and well-being of residents. Although not required by law, the student should be present during a search.

GENERAL SAFETY POLICIES

Students demonstrating any of the following behaviors will be subject to disciplinary action:
• Throwing, dropping, or ejecting any object or liquid from a window, roof or fire escape. Residents will be held responsible for any objects originating from their assigned rooms.
• Entering any restricted, locked, or closed residence facility space or entering a closed building without authorization during a University recess.
• Close and lock your door when you leave your room, even if you plan to be gone for a short time.
• Report all suspicious activity, thefts, and other crimes to University police immediately.
• Never sign strangers or anyone you are not willing to be responsible for into your building.
• Use emergency exits and stairwells appropriately.
• Keep your Husky Card and keys with you at all times.
• Use only the main entrances to residence facilities. Other doors are fire exits, which must remain closed except during emergencies. These auxiliary doors are equipped with alarms that sound both at the door and at the Northeastern University Police.
• If you live in an apartment, make sure that the door inside the lobby is always locked. An intercom and call-button system is available for use by visitors in most buildings.
• A personal-safety staff escort service is always available to escort you between on-campus locations. Do not walk alone on city streets late at night.
• Immediately report any disturbances on campus or on the city streets to the University police at 617.373.2121.
  ● Little action can be taken unless the incident is reported immediately and a full description of those involved is given.
  ● Immediately contact University police at 617.373.2121 if unauthorized persons enter your campus residence hall or leased property.
• Students living in leased properties should read and post the additional materials they receive concerning safety, security, and fire safety.
• Be sure to lock your windows and door(s) when you are away.
• To prevent crimes from occurring, do not remove window screens; instead, use riser restrictors. Riser restrictors are located on all first-floor window frames and on those windows that open onto fire escapes.
• Safety and security are everyone’s responsibility. Please do your part!

Emergency Relocation
The Department of Housing and Residential Life, in conjunction with numerous other departments on campus, has developed a relocation protocol in the event that a residence hall must be closed for an extended period of time. Follow the directives of campus officials, including staff from Housing and Residential Life, Northeastern University Police, and the fire department.
If your residence hall has been evacuated, report directly to Cabot gym. You are not required to stay in Cabot gym. However, a cot, linens, pillow, blanket, and towel will be provided to you should you choose to stay in the gym. Officially check in with the Department of Housing and Residential Life staff at Cabot gym so staff knows where you will be even if you are not staying in the gym.

An emergency number will be activated to provide updates to parents/guardians and students about the nature of the evacuation and any other relevant information. Housing and Residential Life staff in the Cabot gym will have access to cell phones so that you can call parents/guardians, if necessary. Upper-class students without meal plans will be provided meal tickets to use in the Levine Marketplace, Stetson West, or International Village dining centers.

Staff in the Cabot gym will keep students abreast of the situation and students will be notified when the building has been cleared for re-entry. Evacuations of buildings are rare occurrences, but understanding what each person needs to do provides a mechanism for a smooth transition during an emergency. Please feel free to contact your RDs if you have any questions or concerns.

Evacuation Guidelines for Individuals Needing Assistance
The success of a safe evacuation is dependent upon a number of factors. Guidelines have been developed to provide persons with limited mobility with the tools necessary to minimize their exposure to the risk of fire or other threats to their safety. Here is the link: http://www.northeastern.edu/housing/pdf/evacuation.pdf

General Fire Safety
Each residence hall has a fire egress drill at least once each semester. Residence Hall staff will know when a drill is scheduled but residents are generally not informed of the drill until they have evacuated the building. Therefore, it is important to treat every alarm as a real emergency. Please familiarize yourself with the following procedures and follow them whenever the fire alarm sounds:

At the sound of the alarm, move quickly and quietly to your closest exit, including the alarmed emergency exits. Close doors behind you as you leave. In an orderly fashion, follow the direction of your hall staff, NUPD, or City of Boston Fire Department and wait for further instructions. If possible, wear a coat and shoes and carry a towel to use in case of smoke. Keep these items easily accessible for emergency use, along with your keys and ID, since it may be hours before you are permitted to re-enter.

- Microwave ovens*
- Electrical cooking equipment
- Indoor/outdoor decorative lights
- Grills
- Lava lamps
- Weightlifting equipment

*The only exception is that apartment residents may have toaster ovens, coffee makers, George Forman grills, and microwave ovens. Apartments are equipped with kitchens, and all cooking appliances must be confined to the kitchen. Use or possession of any type of outdoor grill, hibachi, or open-flame container is prohibited.

Extension Cords
Minimize the use of electrical cords, make sure that all extension cords bear the UL trademark, and never plug an electrical device with a thick cord into a thinner extension cord. Other important tips to keep your room(s) safe:

- Keep electrical cords away from traffic paths and do NOT run extension cords under rugs or across doorways.
- Maintain all electrical cords. Replace any cord that is cracked, frayed, or otherwise damaged.
- Never pinch an electrical cord against walls or under furniture.
- Do NOT overload extension cords or wall plugs with too many appliances.
- Cords should NEVER be warm to touch.

Weapons
The use, possession, or manufacture of the following items is a violation of our Code of Conduct and policies and will be cause for disciplinary action.

- Firearms or explosive agents of any kind
  - Examples include but not limited to BB guns and paintball guns
  - Starter’s pistols
  - Ammunition, gun parts
  - Fireworks of all kinds are considered explosive agents by the Commonwealth of Massachusetts and their use is illegal.
- Knives or blades (other than kitchen utensils) of any kind
  - Examples include but not limited to switch blades or swords
- Nanchacku (karate sticks)
- Studded belts and bracelets
- Pepper spray, mace, or any other chemical propellant
  - You must get a state license to possess the above substances but they are NOT valid on college campuses.
- Tasers
If you are away from your room when the alarm sounds, proceed to the nearest exit without returning to your room. The alarm signal is the same for a drill as for an actual emergency. Students who do not vacate or who return into the building during a drill or alarm will be subject to disciplinary action.

A number of residence halls at Northeastern utilize fire escapes as an alternative means of egress. Access to the fire escapes is through dedicated windows. Fire escape windows must be kept clear. No furniture, air conditioners or other personal effects are to be placed so as to restrict access to the fire escape window. Failure to maintain clear fire escape access may result in a formal complaint by the City of Boston Fire and/or Building department resulting in the potential closing of the facility due to this safety violation.

- 153 Hemenway Street
- 337 Huntington Avenue
- Burstein Hall

Please contact Residence Hall staff for specific rooms/apartments that are affected by this regulation. Individual residents that are found to be non-compliant with this mandatory safety code ordinance will be subject to disciplinary action.
